VI. Old Business

A. ED hiring update

Jeremy-The ED hiring task force offered the ED role to Dr Mathis and successfully negotiated a signed contract on June 10. On June 13, Dr Mathis informed ERA that he had accepted a counter-offer from Vance and would not be joining ERA. The ED hiring task force does not recommend making an offer to any of the other remaining ED candidates, but instead recommends continuing with Lindsey Sealy in the role of interim ED and will consider also appointing the eventual K-8 principal hire to an interim co-ED

role alongside Lindsey Sealy. The ED hiring task force will bring a proposed ED hiring plan back to the board at a future meeting after evaluating options.

Lindsey- She is on board to take this role, but has questions regarding time-period and how she can learn and grow in this opportunity? Where does she go for questions and training platform? Different programs we can create. Lindsey wants to TBD whether to share role with K-8 principal

David Nagel made a motion to to make appoint Lindsey Sealy interim executive director for indefinite period in 2024-2025 school year.

Sabrina Kordys seconded the motion.

The board **VOTED** unanimously to approve the motion.

B. K-8 Principal hiring process and update

We have created a k-8 principal hiring task force- 5 teachers and Dr. Brown.

- sent an interest forum to faculty k-8, then voted on representatives across grade levels.
- Initial meeting on Thursday morning for applicant review
- 38 have applied (some qualified and some not qualified)- based on job description sent out. Narrowed down to 14-15 people.
- These will be ranked by hiring committee, top 5 will be reviewed.
- Top 2 will be brought to board to approve.

It would be better to approve earlier so they can start by July 8th. Sabrina suggested to do special board meeting to hopefully approve earlier. June 26-27th would be better.

C. Annual Retreat Planning

Dave went over Retreat planning set for August 28th (4-8:30pm). Went over attached retreat documents (see attached documents).

- For each topic person assigned would bring to retreat- points and information regarding that topic.
- Discussed each Topic for consideration.
- Preparing each topic and pre-reads needed a week out to review before retreat.

D. Update on ERA Financial Controls, Procedures, and Policies

- Overview and discussion around implementing a financial controls and governance document.
- Initial review of the attorney provided governance document has been completed and we have a strong starting point.

- Remaining work should focus on tailoring the document to match the structure of Eno River Academy with an emphasis on creating a system that utilizes dual controls and facilitates transparency.
- Wants job titles defined- want to be clear and people protected but need to be sure there are no cogs that would bring things to halt.
- Need system that roles- need system with no points of failure, transparent but want smooth system.

VII. Officer and Liaison Updates

A. Treasurer and Finance Update

Sabrina- July 1st to June 30th is budget cycle.

- This report is up to May- Went over Shared Budget Analysis Report.
- We are on track a couple extra expenses -all were within anticipated budget.
- Likely to end year in surplus.

1. Most grade levels are full for next year. We've had a couple of declines over the last few weeks and Mrs. Hover is working on filling from the waitlist. Essentially K-11 is full once those last few spots are refilled. We'll have the largest senior class to date with a current roster of 96 students. A handful of applicants are working on turning in their paperwork. Mrs. Hover is also investigating a new software system for the lottery process (Lotterease). This system is used by many of our neighboring charter schools and appears to be more user friendly. I'm currently working on gathering data to compare between Lotterease and our current system, Scribbles.
