### **I. Opening Items**

#### **A. Record Attendance**

#### **B. Call the Meeting to Order**

David Nagel called a meeting of the Governance Committee Committee of Eno River Academy to order on Thursday Mar 12, 2026 at 2:34 PM.

#### **C. Approve prior meeting minutes**

David Nagel made a motion to approve the minutes from Governance Committee January Meeting on 01-08-26.

Jeremy Greene seconded the motion.

The committee **VOTED** unanimously to approve the motion.

## **II. Governance Committee**

### **A. By-law revision**

Reviewed edits to previous redlined version of the by-laws which incorporated (a) correction of an overlooked typo and (b) addition of the definition of voting staff (full-time exempt and non-exempt employees of ERA). GC agreed that these changes looked accurate and are ok with them proceeding to the board meeting for vote at end of March.

### **B. Revised board seat application**

Reviewed a modified application which included a new question highlighting the skills an applicant brings to the board. GC discussed how to make the application shorter and agreed to remove three questions which were not deemed to be useful in the application process. Several other slight modifications were made to ensure the qualities the board determined to be useful were able to be highlighted by the applicants, such as passion for our school, working in groups, etc. It was agreed that Dave would incorporate these changes into the application packet and provide to Jeremy to implement. Jeremy will also update the board on these changes at the March board meeting.

There was also discussion about potentially asking parents what they want to know about the applicants, but it was determined that this might be an idea for future years.

### **C. Parent election and community board seat appointment processes**

We discussed and agreed Jeremy will implement the following process and timing:

- call for applications - application period April 6-27
- parent seat voting period May 1-11
- community member Zoom interviews May 13-15
- board packet for pre-read wk of May 18
- board vote for community seats May 26

Side conversation also occurred regarding constraints of new board composition. It was discussed that highly qualified parents could not be selected by the board, but rather would have to be chosen by voting ERA members. It was discussed that the enhanced application that now highlights applicant skills should help. Also parents with high qualifications can become involved in committees without being board members.

### **D. Board training options**

GC reviewed and reflected on training in 2025-26.

- M&R capital campaigns
- Stella Law - general overview
- pockets of self-motivated training
- new member training (1:1s, strategic elements, committee and officer descriptions, by-laws, BoT as a resource, handbooks, charter agreement, previous board meeting minutes)

Ideas to enhance training for 2026-27 includes:

- Tom Miller facilitated training (focus tbd)
- Community Director school orientation training (perhaps join in the school new hire training to get better understanding of school)
- Retreat - consider 3 strategic Saturdays to focus on Strategy allowing board meetings to be more operational and concise.

#### **E. Mar Board agenda**

GC quickly reviewed Mar board meeting draft agenda. Agreed that Elliot will provide the GC 5 minute update on training and branding initiative.

### **III. Closing Items**

#### **A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 3:35 PM.

Respectfully Submitted,  
David Nagel
