III. Key Business

A. Overview of Capital Campaign Process

- Prior to presentation from Moss+Ross, T. Blackmon provided background of how she and D. Nagel became aware of Moss+Ross. Moss+Ross is a Triangle-based company that provides annual fundraising plans, campaign readiness assessments, campaign plans, case statements, development assessments, feasibility studies, messaging and communications plans, peer benchmarking, prospect research, and personnel searches for area non-profits.
- Kate Hearn, Kim Glenn and Dave Monaco of Moss+Ross then joined the meeting virtually. The Moss+Ross team provided an overview of their mission, vision, values, services and campaign readiness.
- Discussion with Board followed presentation. Will determine any additional questions to be asked and bring back to Board.

B.

School Expansion Task Force Update

- L. Sealey reported taskforce membership complete.
- **Land update regarding 78 acres adjacent to ERA:** Forestar planning/rezoning request goes to the County Commissioners November 6, 2025 for plan to build 49 homes. Financial, development and zoning scenarios discussed.
- **Expansion Update:** Taskforce discussed if expanding enrollment aligns with ERA's mission and long-term sustainability strategies. Reviewed recent parent survey re: why they chose ERA, reviewed data/research identifying "sweet spot" for student enrollment numbers where both finances and culture intersect. Identifying what growth would afford us the opportunity to be able to do and how/if growth would support ERA's vision of excellence.
- Taskforce continuing to review needs/options and develop next steps to bring to the Board.

C. Five Year Strategy - for Charter Renewal

D. Nagel provided an update on ERA's charter renewal process. The Governance and Academic Committees are working with L. Sealey to prepare for a self-assessment which is due November 30, 2025. A timeline was provided for Board to review first and second drafts.

D. Academic Calendar for 2026-27

L. Sealy brought forth the proposed 2026-2027 academic calendar. Four half-days have been added to provide additional time for teacher professional development. In an effort to reduce family impact for those days, on-site student enrichment activities will be developed so that students would not necessarily have to leave campus.

David Nagel made a motion to Accept 2025-2026 calendar as presented.

Jeremy Greene seconded the motion.
