II. Finance

A. Discuss Monthly Financials

We currently just have June financials. Moving forward, we Juan will be cc'ed to emails from Central Source. The goal is for management to review the financials within 48 hours.

Accrual details, payroll, and enrollment are top of mind. Before the next FC meeting, Central Source will put together the July and August Financials. The FC needs to get in a week in advance so that the board is able to review it in a timely manner.

The fixed asset is a capitalized item, \$7,125, what improvement is it? Why not expense it? Cyndi- this was the downpayment for the construction project. Since it was over 5K, we had to capitalize it. The accrual had to go up due to the increase in staff.

MM- As of today, we are fully enrolled.

The change in net position, if we subtract the private funding, we would have ended the year under by 11k.

TS- is there anything else we could be doing related to grants? Cindy- we have applied and it's important that we submit all of our entitlement grants on time. We are fully updated on our entitlement grants. The CSP money was well spent on items that have a long shelf life.

The donation page is updated. Tony tried it and ensured the information was updated for the new school year.

III. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 1:29 PM.

Respectfully Submitted,

A. Surrette
