AAC Data Update:

- No shift in staff demographics
- 96% student attendance, the school is trending to meet its EOY goal. 7% of students fall in chronic absenteeism (missing 9+ days) and will be attending Saturday Academy for attendance buyback. Attendance is improved from this time last year.
- Behavior data: there have been 22 suspensions so far. Suspensions for SPED students are trending high and of concern (half of the suspensions). The school is monitoring this data point.
- Enrollment: The goal is 270 and the school is at 260. Several students transitioned out of 8th grade (4-5) given the expansion announcement. There are 100 applications for 20-21 enrollment which is about 50 applications lower than this time last year.
- Pre and Post MCAS aligned assessments will be administered to attempt to discern mastery of standards and preparedness for the state test.
- There are intervention blocks in place to provide additional support for students.
- 80% staff retention goal
