Celebrating accomplishments but always looking to improve. Proud of what has been accomplished

A lot of great intervention -- heading the school in the right direction.

Focus more on writing

Kari informed the Board that LACS current use fundraising goal is 150k & capital campaign goal is 1 million. Decision made to combine to 1.2 million dollars which will allow us to ask our donors to give a comprehensive gift (to go toward building but current use as well).

Have made great progress - newsletter was sent out a couple weeks ago. Finalizing campaign materials currently. Naming opportunities to come later this meeting.

Plans for 2 small group events this year as we did last year. Likely in January & March.

Spring - hope to have a community event. Maybe a ribbon cutting to celebrate new building in the works .

100% Board participation is essential!
