II. Management Report

A. Management Report

Modesto led the team through LACS updates :

- First round of standardized testing took place ! A lot of time dedicated to prep for MCAs. Team was ready. 100% students in attendance. Energy and focus was exciting. Round 2 will be in 2 weeks for math and science and AP exams will also take place in the coming weeks. Feeling confident!
- Talent - goal is to retain 80% . . lower 100%, upper academy 90% Significant progress in hiring department for the open roles. Generally feeling good. AP level roles are current priority to fill as those are most mission critical to fill.
- Student recruitment - Survey went out to current families asking if students will go back. Moving target currently and connecting with families who are "maybes". High school options competitive and facility for LACs next year not ideal. Tracking and working hard to close the gap in upper academy with the exciting news of "Forever home"
- Daily attendance - hovering in 95%97% high bar goal.
- GPA- a lot of time has gone into growing GPA this year. Continue to work to move the needle.

- Facilities : meet with Mass devel on a bi weekly basis. Meet next week as away on retreat this week and will provide updates next month. -
- FY24 budget will be presented at June retreat. Budget next year is more complex versus past years due to capital campaign etc. Working through this and. will go into further detail at retreat.

IV. Other Business

A. Virtual Meetings- FY24

Virtual meetings were extended for 2 years.

MM recommends Board continues to meet virtually over 2 years except for 1) in Fall and 2) for the retreat.

Hector raised the issue with attendance and people not logging on. This is a deeper discussion that will have to take place, and be voted on, at the retreat.

B. Legislator Mapping Task

MM urged the group to spend 5 minutes at closing of meeting looking at the linked map.

This info will be provided to MSPCA . MM to work with Tim and team to look at this data and if there is a connection with Board and legislators.

V. Closing Items

A. Next meeting

B. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 6:24 PM.

Respectfully Submitted,
H. Zavala
