II. A YEAR REVIEW

A. Year in Review

MM kicked off the FY23 year in review highlighting progress toward goals: MM reminded the group that standardized testing results are not out yet.

Jeff, our newest Trustee, read LACS mission :) Board members then reflected on examples of how LACS has fulfilled this mission throughout this years.

Lower Academy (6-8 grade) reflections :

Solid B+ (almost A-) : A lot of growth around intervention and meeting the needs of students. Growing leadership capacity has been a focus - "growing our bench" ; expanding capacity leaders and teachers alike.

Challenges : 1) Math "People power" , teacher transitions made the math team stretch .

Going into FY24 focusing on getting ahead of this. 2). Culture - Middle school program is strong but started off shaky. Learned from this a will adapt going into next year.

MM showed the Board the LA goals and achievement numbers of these goals. The Board reflected on these results (both successes and misses)

Upper Academy reflections:

MM rated UA a B-

Successes:

- Investment in GPA - students are starting to own this
- Creating a culture of "college & career readiness"

Challenges :

Haven't perfected culture in UA :

- Lack of Adult investment & accountability & not supporting most struggling scholars. Putting measures in place to minimize these issues going into FY24.

MM showed the Board the UA goals and achievement numbers of these goals. The Board reflected on these results (both successes and misses)

Work of ED office :

Goals:

- Strategic thinking and planning - 4-5 year road map of where we want organization
- Expanding partnerships - ambassador , advocate, getting LACS name out, development & building these relationships,
- Pushing & celebrating our people! Delegating more
- Forever Home - 1 M campaign
- Ensure our prioritized goals are met

Highlighted what the challenges have been and what MUST BE in 23-24 .

He concluded his update with a new rendering of new building!

Strategic Plan Approval :

Purpose is to ensure we outline specifically what we want for the next few years to take the school from a good school to a great school. MM highlighted the phases of drafting this Strategic Plan . Current phase: seeking the Board to approval of final draft of strategic plan. The Board took time to digest & read the plan again.
