## **II. Management Report**

### **A. Management Report**

Report from Modesto:

Highlights:

- First class induction to the National Honor Society this week
- MCAS: ELA done, Math & Science coming up
- Drumline performance for new Springfield Police Department Superintendent (thank you for arranging Nicole!)
- Started crew program with Pioneer Valley Rowing Club
- Dance group competing at first dance competition this weekend

Communication of Delay to community:

- Reached out in stages to all groups prior to spring break.
- Received understanding and supporting response especially since it's disappointing news.
- Sending a survey to parents and students so will be interesting to see what comes of it.
- Been very purposeful with communications
- Creating FAQ document

Talent progress - slightly off but expecting to be ok. Especially looking for teachers for AP level classes. 95% of staff asked to return accepted offers. Did experience some mid-year loss so looking at these more closely. This would adjust the overall return to 85%.

Student Recruitment - fully enrolled with 6th grade with healthy waitlist. 8th grade class is full as well - healthy waitlist

Headline Goals - discussion on out of school suspensions and feel they were the right decisions but looking at how we can do better to deter. One area is installing vapor sensors in new building to help deter.

GPA/Attendance - Close to goals across the board, trending slightly below last year on attendance.

Waiting on MassDevelopment loan of \$400k for technology in new building.

Report from Emma G.:

New School building update - weather tight by end of June

Satellite Campus update - Tech Park on Federal Street

- Exact space changed over spring break. This is a better space but some more discussions underway for the details including negotiating rent and who's paying for what. Will be sharing specific lease and other details to board once ready.

- T. Curtis asked about nutrition aspect and if Springfield Public Schools will be providing for this campus. M. Montero answered that this is still being discussed and TBD. Will have to re-sign the agreement soon anyway.

- M. Montero noted that he is working on the impact to the budget - expects it to be a wash - will present to Finance committee in May for approval by board in June.

Liberty Street project -

- Expecting to finalize technology plans. moving company and cleaning companies by end of next week.

- Furniture plan and quote being finalized by end of next week

- Legacy Ambassador Committee - second meeting held in early April looked at color/fabric designs and updated on building delay. Received good feedback with questions and how to communicate. Next meeting in early May.

Tiffani C. - suggestion to consider layoffs that are happening because of decreased funding. Example being Hartford laying off over 100 teachers. Many happening now so may have more options coming up.
