II. Management Report

A. Management Report

MM welcomed us to new space and reminded board of humble beginnings of LACS. Converted Tarbell-Waters Building on Chestnut St and hired a new staff, and recruited students all at once. MM was heavily involved with the details, setting up classrooms and putting in 70-80 hours of work. Used parking lot for gym- then partnered with the Y and walked over. LACS has always been gritty. Beautiful building does not make a great school- the people make it. \$1.2 million campaign was a heavy undertaking that is not often considered for schools in this area. We doubled the goal to \$2.4 million. MM is proud to bring people into the school and show them the place at work- doing so leads to authentic partnerships and engagement. Liberty St journey- progress including extending deadlines for the transition- long and extensive process. Many details that MM has been involved in, even the carpet, lighting etc- all of this process has been in service of the school's mission. Students like Ruth come to mind- Questbridge Scholar who just got into Smith College, the college of her choice. Full scholarship. Successes like this are a life-changing opportunity and what the school is all about. She wants to be a teacher- cycle that MM is excited for. MM wants LACS students to remain committed to Springfield even as they expand and grow to see and experience the world.

Events upcoming:

March 19th Drumline at Thunderbirds

LACS UA student vs staff basketball. Date TBA

Open House March 27, evening

Chestnut St early termination fee- attorney is navigating process. MM will invite Jeff Fialky of Bacon/Wilson to future meeting if process continues and board needs to be more involved in decision making. Space has been vacated and walk-through upcoming
