III. Executive Director's Report & Updates

A. Leadership Updates

Jazmine Holley: Ms. Holley outlined her strategic plans to address data gaps and achieve mid-year NWEA goals, along with a presentation on academic performance. She highlighted the increase in students progressing to the next SIPPS group, the focus on skill priorities for the Winter NWEA, and the use of individualized reports to track essential skills for growth and achievement. Additionally, she shared concerns with the board regarding staffing challenges and staff shortages.

Steward Stiles: Mr. Stiles delivered a presentation updating the board on current enrollment and projected enrollment goals for the 2025-2026 school year. He outlined the projected enrollment figures and the goals for each grade level for January 2026 and provided details on upcoming events and tracking methods.

Bridgette Taylor: Ms. Taylor presented compliance information, including grant management details outlining the amounts received and submitted. She also addressed state reporting, identifying and resolving discrepancies with DESE, and ensuring all corrections and required documentation were submitted by the deadline. Additionally, she committed to providing the board with an update once all issues are resolved.

B. Executive Director Update

The Executive Director provided updates on several staffing matters, including staff attendance trends, an agreement for substitute teacher support, the hiring of a special education teacher, and updates to job descriptions and the overall staffing structure. Dr. Russell-West also briefly discussed the search for a new facility, highlighting a potential property with a purchase/lease-purchase option. Additionally, she will be working with EdOps on completing the budget projections.
