### III. Finance

#### A. Financial Reports Presentation

Paul Greenwood reporting

St. Louis County Public Schools recently submitted a prior-year adjustment to its Pre-K enrollment, revising last year's count from zero to 1,000 students. This adjustment has prompted the Department of Education to pursue a recapture of funds that were previously distributed to St. Louis charter schools, including St. Louis Voices Academy.

Current Impact:

The adjustment has created a two-pronged financial effect:

Immediate Impact (Already Occurred): The most recent state payment was lower than projected, as the Department has begun reducing per-student funding to offset the prior-year adjustment.

Potential Future Impact: If the Department proceeds with full recapture, additional reductions to state funding may occur, further impacting revenue projections and cash flow.

Response Efforts:

The Executive Director of the Missouri Charter Schools Association has been in active discussions with the Department of Education to make the Association's position clear and to oppose any pullback of funds that have already been distributed and, in many cases, used for school operations. Paul continues to work closely with both the Charter School Commission and the Association to monitor developments and assess potential financial implications.

Financial Position and Next Steps:

While St. Louis Voices Academy was previously reported to be in a strong financial position, these changes have shifted the financial outlook slightly.

The school is not currently projected to experience cash flow issues, as it maintains strong reserves due to responsible fiscal management.

However, cash flow may be affected if the Department proceeds with the full adjustment. No immediate board action is required at this time, but leadership should be prepared to implement cost-saving measures if funding reductions continue.

#### B. Vote to Approve September's Financials

L. Jackson made a motion to Approve September Financials.

R. Payne seconded the motion.

The board **VOTED** unanimously to approve the motion.

### IV. Closing Items
