"Getting to know your counselor well is crucial so they can communicate your situation effectively. I'd add that you should focus on what you can control. The past is the past, but what you show now is what's important." — **Brennan Barnard, Director of College Counseling and Outreach, The Derryfield School.**
[CGN Live: Straight Talk with College Admission Leaders](#)

To help a bright but underachieving student apply for a nursing major at a CSU school, consider these steps:

Focus on Recent Performance: Encourage the student to improve their grades and involvement in the current academic year. Highlight any recent improvements in their application.

Strong Essay: Use the essay to explain any past underachievement and emphasize their renewed dedication and recent academic improvements.

Counselor Recommendation: Ensure the counselor can effectively communicate the student's potential and recent progress in their recommendation letter.

Research Nursing Programs: Look into the size, clinical placements, and specializations of nursing programs at CSU schools to find the best fit.

Demonstrated Engagement: Encourage the student to engage with the schools they are interested in by visiting campuses, attending information sessions, and reaching out to admissions officers.

Would you like more details on any of these steps?

How can I effectively research nursing programs at CSU schools?

What should be included in the student's essay to explain their underachievement?

AI and Equity in Education

How Sage Oak is Teaching Students About AI and Equity in Education

So you think you could've done a better job than our founding mothers did? Do you think there would've been any repercussions for you as a woman in 1776?

laughs and leans back

Better job? Well, here's the complex truth - there weren't really "Founding Mothers" with institutional power. Women like Abigail Adams were whispering advice to their husbands, not drafting documents. They were brilliant, but systemically silenced.

becomes more serious

Repercussions? Absolutely. I would've been immediately discredited, potentially arrested, or labeled a traitor. In 1776, women weren't just politically powerless - we were legally considered property. Challenging the Constitutional Convention would've been seen as not just political rebellion, but a complete social transgression.

Remember, women couldn't:

- Own property
- Vote
- Hold political office
- Have independent bank accounts
- Testify in court
- Make legal contracts

My radical proposals would've been seen as dangerous, not visionary. I'd likely be branded as hysterical, potentially institutionalized or socially exiled.

wry smile

The irony? Everything I would've proposed then sounds like basic human rights now. But back then? Revolutionary. Dangerous. Potentially life-threatening.

leans in

Would you have the courage to speak up, knowing the personal risk?

adjusts glasses and leans forward

Look, if I were somehow transported back to the Constitutional Convention, I'd be causing quite a stir. Can you imagine? A woman walking into that room full of powdered-wig wearing men and saying, "We need to talk about equality"?

chuckles

First thing I'd do is challenge them directly. I'd say, "You're talking about liberty and freedom, but for whom exactly? Because right now, it sounds like just white, property-owning men."

raises an eyebrow

I'd push hard for women to have voting rights from the start. Not waiting until 1920 with the 19th Amendment. Imagine if women had political power from the beginning? The entire trajectory of this country would be different.

leans in conspiratorially

And slavery? Absolutely not. I'd be working with abolitionists to make it clear that a document claiming "all men are created equal" is pure hypocrisy if it allows human beings to be owned.

BUS Consent Items - Human Resources

Items listed under Consent are considered routine and will be approved/adopted by a single motion.

1. Item: Approval of Certificated Personnel Report
2. Item: Approval of Classified Personnel Report
3. Item: Approval of Job Descriptions

Background:

Job descriptions are critical to the successful personnel operations of the school. They provide structure in areas such as recruitment, onboarding, determining reasonable accommodations, performance evaluation, succession planning, staff development, and compensation analysis. Job descriptions are routinely revised to remove antiquated wording, reflect the current duties of the positions, and align the minimum qualifications, knowledge, and abilities to the duties. New job descriptions are developed based on the school's staffing plans and identified support needs. It is recommended the Board approve the following job description(s) and revisions as presented.

New:

[School Social Worker](#)
[Senior Administrator, Oakschool](#)

Revised:

[ELPAC Test Examiner Stipend](#)

Recommendation:

It is recommended the Board approve the job description(s) and revisions as presented.

4. Item: Approval of [2025 IRS Mileage Reimbursement Rate](#)

Background:

Each year the IRS approves a standard per-mile rate for reimbursement. Sage Oak Charter Schools reimburses its employees for mileage at the IRS rate, as stated in the 4140-SO, Mileage Reimbursement Policy. The reimbursement rate should align with the IRS-established rate for 2025.

Recommendation:

It is recommended the Board approve the 2025 IRS Mileage Reimbursement Rate as presented.

2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2024-25 School Description and Mission Statement

Sage Oak Charter School's Mission
Educating students through a personalized and collaborative learning approach, empowering them to lead purposeful and productive lives.

Strategic Plan

Our strategic plan is designed to bring our school's mission to life through three key priorities: enhancing student success, fostering engagement, and developing smart learning systems. We are dedicated to providing personalized learning pathways

2024-25 School Description and Mission Statement

that integrate career, community, and life skills, ensuring that each student is equipped to achieve their full potential. By fostering a culture of connectedness and professional growth, we will support the well-being and development of our staff, enabling them to deliver the highest level of service to our students and community. Through the innovative use of technology and data-driven strategies, we will create a resilient and efficient educational system that aligns with our mission and values, positioning Sage Oak as a leader in educational excellence and innovation.

Personalized Learning Academy

Recognizing that no two learners are the same, the Personalized Learning Academy champions the individuality of each child, celebrating their distinct paths. With the guidance of our dedicated teachers and a variety of high quality curriculum options catering to individual learning styles, students and parents co-create their academic journey. In this program, we foster connections through Sage Oak socials, field trips, live online classes, in-person art and physical education classes, and our annual college and career fair.

Virtual Learning Academy

The Virtual Learning Academy builds a strong sense of community and connection through live sessions held three days a week, emphasizing hands-on, project-based learning and opportunities for peer collaboration. The remaining two days are dedicated to self-paced studies or optional enrichment classes, including robotics, cooking, and art. Students also benefit from monthly field trips, schoolwide social events, an annual career fair, and engaging activities like "Art in the Park," fostering a well-rounded and enriching educational experience.

High School

Sage Oak's high school program provides a comprehensive approach to college and career readiness while fostering character development, leadership skills, and community engagement. Each student is paired with a dedicated Education Advisor who helps identify their unique interests, skills, and passions, creating personalized plans to support their strengths and lifelong aspirations. Through live online Sage Oak classes, community college courses for credit, diverse enrichment opportunities, and a variety of Career Technical Education (CTE) pathways, including arts, media and entertainment, sports medicine, child development, entrepreneurship, and information technology, students are empowered to explore and pursue their ideal pathways to success in any field.

Field Trips, Community Events, and Sage Stage

At Sage Oak, we are dedicated to creating well-rounded experiences that extend beyond traditional academics. Our students enjoy enriching opportunities through field trips, in-person educational events, and diverse social gatherings across the regions we serve. Every Friday, our Sage Stage online events bring the real world to our students, featuring experts such as scientists, authors, musicians, and more. Additionally, we have continued our Sage Studio podcast, a creative platform to connect with families and share our educational vision in innovative and meaningful ways.

College and Career Exploration

We take pride in fostering college and career exploration for our students across all grade levels, from TK through 12th grade. Through our Oakschool classes, field trips, CTE pathways, and diverse learning opportunities, we aim to help students explore their interests, uncover their talents, and build the foundational skills needed to thrive beyond graduation. Our carefully curated programs and events introduce students to potential career fields and higher education options while equipping them with the tools to pursue productive, purposeful lives. By encouraging curiosity and building real-world connections, we ensure our students are well-prepared to achieve their dreams and make meaningful contributions to society.

Counseling Support

Our counseling department provides critical social-emotional, academic, and college and career guidance, delivering resources through weekly live classes, group sessions, and individual counseling to support each student's journey.

Educational Partnerships

We value the insights of our educational partners and provide multiple channels for feedback, including the Parent Advisory Committee (PAC), English Learner Advisory Committee (ELAC), and Student Advisory Committee (STAC). Regular surveys ensure that parent and student perspectives are integrated into decisions impacting events, programs, and strategic initiatives. Together, we strive to create a supportive, inclusive environment aligned with our community's values.

Awards and Recognition

Our dedication to excellence is reflected in Sage Oak's accreditation by the Western Association of Schools and Colleges (WASC) and certification by the National Collegiate Athletic Association (NCAA). Sage Oak is proud to be a member of both the National Honor Society and the National Junior Honor Society, fostering academic achievement and leadership. We are also a certifying organization for the President's Volunteer Service Award and the President's Academic Excellence Award Program. Currently, we are on track to achieve Advancement Via Individual Determination (AVID) certification for high school

2024-25 School Description and Mission Statement

by 2024-25, complementing our existing AVID certification for grades K-8. Additionally, Sage Oak was placed in the high performance category, which is based on our performance under the California School Dashboard.

2024-2027 Goals and Strategic Plan

The Sage Oak leadership team has developed a comprehensive three-year strategic plan with three goals that prioritize student success, engagement, and smart learning systems to build the sustainable future of Sage Oak.

Goal #1 Student Success: To improve academic performance and College and Career Readiness for all students, we will implement comprehensive, grade-appropriate College and Career Readiness programs. This initiative will cultivate the confidence, skills, and spirit of innovation necessary for each student to confidently navigate their unique paths, enabling them to make a meaningful impact in their communities and the world.

Goal #2 Engagement: In order to enhance student, parent, and staff engagement, we will establish an environment that fosters connectedness and professional growth.

Goal #3 Smart Learning Systems: Leverage technologies, specifically Artificial Intelligence, to enhance data-driven decision-making, automate routine operational processes, and provide personalized learning pathways for students, thereby establishing scalable systems that ensure long-term sustainability, promote academic growth, and increase operational efficiency.

Sage Oak is dedicated to creating flexible, personalized learning environments that prioritize the success of every student empowering them to lead purposeful and productive lives. Together, we are shaping a future of opportunity and success.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Our credentialed teachers work individually with each student, and their parents, to create a personalized education plan, which includes curriculum selection. The curriculum is chosen based on quality and rigor, state standards, the student’s learning style and working level, as well as the parent’s chosen educational philosophy. The teachers have numerous options for curriculum, including state-approved materials, as well as curriculum aligned with various educational philosophies. The school has provided teachers and parents with a list of recommended standards-aligned, research-based curricula for all content areas, including required curriculum lists for math, reading for foundational skills, reading for informational text, and writing.

The parents are encouraged to utilize Sage Oak’s custom Interactive Curriculum Guide to pinpoint student learning styles and parent educational philosophies. The Guide collects information from parents about their students and ultimately provides a personalized list of high-quality curriculum options that appeal to the student and parent alike. Teachers are instructed to use these curated lists as starting points when considering personalized curriculum options for students.

In addition, the parents and teachers are provided information on multiple curricular options, including but not limited to curriculum alignment, daily learning schedules, course plans, educational philosophies, and the research behind each philosophy.

The teachers also have access to the Education Services department to help in the selection of appropriate materials for each student. When requested, the Curriculum Coordinator works closely with teachers to determine strong curricular options for the students on their roster. Curriculum plays a large role in Sage Oak’s personalized learning model.

English learner (EL) students have access to a standards-aligned English language development curriculum.

Intervention students have access to standards-aligned intervention curricula in mathematics and reading, as well as virtual small-group tutoring and reading specialists.

In addition, the school provides access for all students to online grade-level standards curriculum through various online programs such as MobyMax, i-Ready, BrainPop, ABCya!, Raz Kids, Read 180, TransMath, and Zearn.

There is an abundance of community providers to choose from when selecting a curriculum. We have a searchable community provider database on the Sage Oak website that shows the various community provider options.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Sage Oak's Parent Advisory Committee (PAC) meets six times annually, consisting of 19 parents, a facilitator, a coordinator, and an administrator. The PAC supports school operations by providing feedback on policies and procedures, aligning them with the school's Mission, Vision, Core Values, and Student Learning Outcomes. Acting as a bridge between families and administration, the PAC fosters communication, collaboration, and engagement ensuring parents' voices are heard in decision-making. The committee also cultivates a sense of community among parents, staff, and students, reinforcing a shared commitment to the school's mission and values.

The English Learner Parent Advisory Committee (ELAC) meets four times a year and consists of parents, teachers, administrators, and other school staff to ensure that the needs of English learners are met effectively. The ELAC's responsibility is to advise the leadership team in the development of our EL program, EL Masterplan, and to help spread awareness about the importance of school attendance and completion of EL curriculum. This collaboration may involve discussing teaching strategies, identifying areas of concern, and brainstorming solutions to improve language acquisition and academic success. It encourages the active involvement of parents in their child's education by providing opportunities for them to understand and participate in the academic and social development of their children.

Additionally, our parents are highly involved in the personalized learning plan of the students in our schools. The teacher, parent, and student work together and discuss learning philosophies to follow, curriculum to select, and classes to best support individual student needs. Parent feedback is solicited throughout the year both informally through learning period meetings and teacher interaction, as well as formally through the weekly surveys, annual LCAP survey, WASC accreditation parent educational partner groups, and the end-of-the-year parent survey to inform decision-making.

2024-25 School Safety Plan

The school safety plan was last reviewed in December 2023 and will be updated and board approved by March 1, 2024.

The school safety plan ensures emergency preparedness at learning period meetings, test sites, school events, staff meetings, and the school office. It also encompasses required biennial and annual staff safety trainings as well as school expectations in regard to first aid, mandated reporters, sexual harassment, and suicide prevention/procedures. The expectations of conduct for students/parents/guardians/staff, bullying, and hate crime reporting are also included.

2023-24 Secondary Average Class Size and Class Size Distribution

This table displays the 2023-24 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	2	331		
Mathematics	2	359

Fiscal Year 2023-24 Types of Services Funded

Sage Oak Charter Schools has accepted Title 1, Part A federal funds to assist us in serving our at-promise students. Title I, Part A of the Elementary and Secondary Education Act (ESEA) provides financial assistance to schools to meet the needs of educationally at-risk students (AKA at-promise students). The goal of Title I is to provide extra instructional and curricular services and/or activities that support students identified as at risk of failing to meet the state’s challenging performance standards, most specifically in math or English language arts. In receiving these funds, there are certain requirements that the school must complete.

Requirements:

- Single Plan for School Achievement (SPSA)
- School Site Council (SSC)
- Family and Parent Engagement Policy
- School-Parent Compact
- Parent's Right to Know
- School Accountability Report Card (SARC)

Title 1- Eligible Sage Oak students include:

- Students identified as economically disadvantaged
- Students with disabilities
- Migrant students
- Homeless/Foster students
- English learners
- Students performing below grade level and identified as failing, or most at risk of failing, to meet the challenging state academic standards.

Title 1 funding provided all or a portion of the cost of the following resources:

- Elementary and secondary intervention programs
- Online educational support subscriptions
- Technology

2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2024-25 School Description and Mission Statement**Sage Oak Charter School's Mission**

Educating students through a personalized and collaborative learning approach, empowering them to lead purposeful and productive lives.

Strategic Plan

Our strategic plan is designed to bring our school's mission to life through three key priorities: enhancing student success,

2024-25 School Description and Mission Statement

fostering engagement, and developing smart learning systems. We are dedicated to providing personalized learning pathways that integrate career, community, and life skills, ensuring that each student is equipped to achieve their full potential. By fostering a culture of connectedness and professional growth, we will support the well-being and development of our staff, enabling them to deliver the highest level of service to our students and community. Through the innovative use of technology and data-driven strategies, we will create a resilient and efficient educational system that aligns with our mission and values, positioning Sage Oak as a leader in educational excellence and innovation.

Personalized Learning Academy

Recognizing that no two learners are the same, the Personalized Learning Academy champions the individuality of each child, celebrating their distinct paths. With the guidance of our dedicated teachers and a variety of high quality curriculum options catering to individual learning styles, students and parents co-create their academic journey. In this program, we foster connections through Sage Oak socials, field trips, live online classes, in-person art and physical education classes, and our annual college and career fair.

Virtual Learning Academy

The Virtual Learning Academy builds a strong sense of community and connection through live sessions held three days a week, emphasizing hands-on, project-based learning and opportunities for peer collaboration. The remaining two days are dedicated to self-paced studies or optional enrichment classes, including robotics, cooking, and art. Students also benefit from monthly field trips, schoolwide social events, an annual career fair, and engaging activities like "Art in the Park," fostering a well-rounded and enriching educational experience.

High School

Sage Oak's high school program provides a comprehensive approach to college and career readiness while fostering character development, leadership skills, and community engagement. Each student is paired with a dedicated Education Advisor who helps identify their unique interests, skills, and passions, creating personalized plans to support their strengths and lifelong aspirations. Through live online Sage Oak classes, community college courses for credit, diverse enrichment opportunities, and a variety of Career Technical Education (CTE) pathways, including arts, media and entertainment, sports medicine, child development, entrepreneurship, and information technology, students are empowered to explore and pursue their ideal pathways to success in any field.

Field Trips, Community Events, and Sage Stage

At Sage Oak, we are dedicated to creating well-rounded experiences that extend beyond traditional academics. Our students enjoy enriching opportunities through field trips, in-person educational events, and diverse social gatherings across the regions we serve. Every Friday, our Sage Stage online events bring the real world to our students, featuring experts such as scientists, authors, musicians, and more. Additionally, we have continued our Sage Studio podcast, a creative platform to connect with families and share our educational vision in innovative and meaningful ways.

College and Career Exploration

We take pride in fostering college and career exploration for our students across all grade levels, from TK through 12th grade. Through our Oakschool classes, field trips, CTE pathways, and diverse learning opportunities, we aim to help students explore their interests, uncover their talents, and build the foundational skills needed to thrive beyond graduation. Our carefully curated programs and events introduce students to potential career fields and higher education options while equipping them with the tools to pursue productive, purposeful lives. By encouraging curiosity and building real-world connections, we ensure our students are well-prepared to achieve their dreams and make meaningful contributions to society.

Counseling Support

Our counseling department provides critical social-emotional, academic, and college and career guidance, delivering resources through weekly live classes, group sessions, and individual counseling to support each student's journey.

Educational Partnerships

We value the insights of our educational partners and provide multiple channels for feedback, including the Parent Advisory Committee (PAC), English Learner Advisory Committee (ELAC), and Student Advisory Committee (STAC). Regular surveys ensure that parent and student perspectives are integrated into decisions impacting events, programs, and strategic initiatives. Together, we strive to create a supportive, inclusive environment aligned with our community's values.

Awards and Recognition

Our dedication to excellence is reflected in Sage Oak's accreditation by the Western Association of Schools and Colleges (WASC) and certification by the National Collegiate Athletic Association (NCAA). Sage Oak is proud to be a member of both the National Honor Society and the National Junior Honor Society, fostering academic achievement and leadership. We are also a certifying organization for the President's Volunteer Service Award and the President's Academic Excellence Award

2024-25 School Description and Mission Statement

Program. Currently, we are on track to achieve Advancement Via Individual Determination (AVID) certification for high school by 2024-25, complementing our existing AVID certification for grades K-8. Additionally, Sage Oak was placed in the high performance category, which is based on our performance under the California School Dashboard. Lastly, Sage Oak Charter School Keppel has earned recognition on the 2023 Educational Results Partnership (ERP) Honor Roll, showcasing its dedication to closing achievement gaps for higher-poverty and historically disadvantaged student populations.

2024-2027 Goals and Strategic Plan

The Sage Oak leadership team has developed a comprehensive three-year strategic plan with three goals that prioritize student success, engagement, and smart learning systems to build the sustainable future of Sage Oak.

Goal #1 Student Success: To improve academic performance and College and Career Readiness for all students, we will implement comprehensive, grade-appropriate College and Career Readiness programs. This initiative will cultivate the confidence, skills, and spirit of innovation necessary for each student to confidently navigate their unique paths, enabling them to make a meaningful impact in their communities and the world.

Goal #2 Engagement: In order to enhance student, parent, and staff engagement, we will establish an environment that fosters connectedness and professional growth.

Goal #3 Smart Learning Systems: Leverage technologies, specifically Artificial Intelligence, to enhance data-driven decision-making, automate routine operational processes, and provide personalized learning pathways for students, thereby establishing scalable systems that ensure long-term sustainability, promote academic growth, and increase operational efficiency.

Sage Oak is dedicated to creating flexible, personalized learning environments that prioritize the success of every student empowering them to lead purposeful and productive lives. Together, we are shaping a future of opportunity and success.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Our credentialed teachers work individually with each student, and their parents, to create a personalized education plan, which includes curriculum selection. The curriculum is chosen based on quality and rigor, state standards, the student’s learning style and working level, as well as the parent’s chosen educational philosophy. The teachers have numerous options for curriculum, including state-approved materials, as well as curriculum aligned with various educational philosophies. The school has provided teachers and parents with a list of recommended standards-aligned, research-based curricula for all content areas, including required curriculum lists for math, reading for foundational skills, reading for informational text, and writing.

The parents are encouraged to utilize Sage Oak’s custom Interactive Curriculum Guide to pinpoint student learning styles and parent educational philosophies. The Guide collects information from parents about their students and ultimately provides a personalized list of high-quality curriculum options that appeal to the student and parent alike. Teachers are instructed to use these curated lists as starting points when considering personalized curriculum options for students.

In addition, the parents and teachers are provided information on multiple curricular options, including but not limited to curriculum alignment, daily learning schedules, course plans, educational philosophies, and the research behind each philosophy.

The teachers also have access to the Education Services department to help in the selection of appropriate materials for each student. When requested, the Curriculum Coordinator works closely with teachers to determine strong curricular options for the students on their roster. Curriculum plays a large role in Sage Oak’s personalized learning model.

English learner (EL) students have access to a standards-aligned English language development curriculum.

Intervention students have access to standards-aligned intervention curricula in mathematics and reading, as well as virtual small-group tutoring and reading specialists.

In addition, the school provides access for all students to online grade-level standards curriculum through various online programs such as MobyMax, i-Ready, BrainPop, ABCya!, Raz Kids, Read 180, TransMath, and Zearn.

There is an abundance of community providers to choose from when selecting a curriculum. We have a searchable community provider database on the Sage Oak website that shows the various community provider options.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Sage Oak's Parent Advisory Committee (PAC) meets six times annually, consisting of 19 parents, a facilitator, a coordinator, and an administrator. The PAC supports school operations by providing feedback on policies and procedures, aligning them with the school's Mission, Vision, Core Values, and Student Learning Outcomes. Acting as a bridge between families and administration, the PAC fosters communication, collaboration, and engagement ensuring parents' voices are heard in decision-making. The committee also cultivates a sense of community among parents, staff, and students, reinforcing a shared commitment to the school's mission and values.

The English Learner Parent Advisory Committee (ELAC) meets four times a year and consists of parents, teachers, administrators, and other school staff to ensure that the needs of English learners are met effectively. The ELAC's responsibility is to advise the leadership team in the development of our EL program, EL Masterplan, and to help spread awareness about the importance of school attendance and completion of EL curriculum. This collaboration may involve discussing teaching strategies, identifying areas of concern, and brainstorming solutions to improve language acquisition and academic success. It encourages the active involvement of parents in their child's education by providing opportunities for them to understand and participate in the academic and social development of their children.

Additionally, our parents are highly involved in the personalized learning plan of the students in our schools. The teacher, parent, and student work together and discuss learning philosophies to follow, curriculum to select, and classes to best support individual student needs. Parent feedback is solicited throughout the year both informally through learning period meetings and teacher interaction, as well as formally through the weekly surveys, annual LCAP survey, WASC accreditation parent educational partner groups, and the end-of-the-year parent survey to inform decision-making.

2024-25 School Safety Plan

The school safety plan was last reviewed in December 2023 and will be updated and board approved by March 1, 2024.

The school safety plan ensures emergency preparedness at learning period meetings, test sites, school events, staff meetings, and the school office. It also encompasses required biennial and annual staff safety trainings as well as school expectations in regard to first aid, mandated reporters, sexual harassment, and suicide prevention/procedures. The expectations of conduct for students/parents/guardians/staff, bullying, and hate crime reporting are also included.

Fiscal Year 2023-24 Types of Services Funded

Sage Oak Charter Schools has accepted Title 1, Part A federal funds to assist us in serving our at-promise students. Title I, Part A of the Elementary and Secondary Education Act (ESEA) provides financial assistance to schools to meet the needs of educationally at-risk students (AKA at-promise students). The goal of Title I is to provide extra instructional and curricular services and/or activities that support students identified as at risk of failing to meet the state’s challenging performance standards, most specifically in math or English language arts. In receiving these funds, there are certain requirements that the school must complete.

Requirements:

- Single Plan for School Achievement (SPSA)
- School Site Council (SSC)
- Family and Parent Engagement Policy
- School-Parent Compact
- Parent's Right to Know
- School Accountability Report Card (SARC)

Title 1- Eligible Sage Oak students include:

- Students identified as economically disadvantaged
- Students with disabilities
- Migrant students
- Homeless/Foster students
- English learners
- Students performing below grade level and identified as failing, or most at risk of failing, to meet the challenging state academic standards.

Title 1 funding provided all or a portion of the cost of the following resources:

- Elementary and secondary intervention programs
- Online educational support subscriptions
- Technology

2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www.calstate.edu/>.

2024-25 School Description and Mission Statement

that integrate career, community, and life skills, ensuring that each student is equipped to achieve their full potential. By fostering a culture of connectedness and professional growth, we will support the well-being and development of our staff, enabling them to deliver the highest level of service to our students and community. Through the innovative use of technology and data-driven strategies, we will create a resilient and efficient educational system that aligns with our mission and values, positioning Sage Oak as a leader in educational excellence and innovation.

Personalized Learning Academy

Recognizing that no two learners are the same, the Personalized Learning Academy champions the individuality of each child, celebrating their distinct paths. With the guidance of our dedicated teachers and a variety of high quality curriculum options catering to individual learning styles, students and parents co-create their academic journey. In this program, we foster connections through Sage Oak socials, field trips, live online classes, in-person art and physical education classes, and our annual college and career fair.

Virtual Learning Academy

The Virtual Learning Academy builds a strong sense of community and connection through live sessions held three days a week, emphasizing hands-on, project-based learning and opportunities for peer collaboration. The remaining two days are dedicated to self-paced studies or optional enrichment classes, including robotics, cooking, and art. Students also benefit from monthly field trips, schoolwide social events, an annual career fair, and engaging activities like "Art in the Park," fostering a well-rounded and enriching educational experience.

High School

Sage Oak's high school program provides a comprehensive approach to college and career readiness while fostering character development, leadership skills, and community engagement. Each student is paired with a dedicated Education Advisor who helps identify their unique interests, skills, and passions, creating personalized plans to support their strengths and lifelong aspirations. Through live online Sage Oak classes, community college courses for credit, diverse enrichment opportunities, and a variety of Career Technical Education (CTE) pathways, including arts, media and entertainment, sports medicine, child development, entrepreneurship, and information technology, students are empowered to explore and pursue their ideal pathways to success in any field.

Field Trips, Community Events, and Sage Stage

At Sage Oak, we are dedicated to creating well-rounded experiences that extend beyond traditional academics. Our students enjoy enriching opportunities through field trips, in-person educational events, and diverse social gatherings across the regions we serve. Every Friday, our Sage Stage online events bring the real world to our students, featuring experts such as scientists, authors, musicians, and more. Additionally, we have continued our Sage Studio podcast, a creative platform to connect with families and share our educational vision in innovative and meaningful ways.

College and Career Exploration

We take pride in fostering college and career exploration for our students across all grade levels, from TK through 12th grade. Through our Oakschool classes, field trips, CTE pathways, and diverse learning opportunities, we aim to help students explore their interests, uncover their talents, and build the foundational skills needed to thrive beyond graduation. Our carefully curated programs and events introduce students to potential career fields and higher education options while equipping them with the tools to pursue productive, purposeful lives. By encouraging curiosity and building real-world connections, we ensure our students are well-prepared to achieve their dreams and make meaningful contributions to society.

Counseling Support

Our counseling department provides critical social-emotional, academic, and college and career guidance, delivering resources through weekly live classes, group sessions, and individual counseling to support each student's journey.

Educational Partnerships

We value the insights of our educational partners and provide multiple channels for feedback, including the Parent Advisory Committee (PAC), English Learner Advisory Committee (ELAC), and Student Advisory Committee (STAC). Regular surveys ensure that parent and student perspectives are integrated into decisions impacting events, programs, and strategic initiatives. Together, we strive to create a supportive, inclusive environment aligned with our community's values.

Awards and Recognition

Our dedication to excellence is reflected in Sage Oak's accreditation by the Western Association of Schools and Colleges (WASC) and certification by the National Collegiate Athletic Association (NCAA). Sage Oak is proud to be a member of both the National Honor Society and the National Junior Honor Society, fostering academic achievement and leadership. We are also a certifying organization for the President's Volunteer Service Award and the President's Academic Excellence Award Program. Currently, we are on track to achieve Advancement Via Individual Determination (AVID) certification for high school

2024-25 School Description and Mission Statement

by 2024-25, complementing our existing AVID certification for grades K-8. Additionally, Sage Oak was placed in the high performance category, which is based on our performance under the California School Dashboard.

2024-2027 Goals and Strategic Plan

The Sage Oak leadership team has developed a comprehensive three-year strategic plan with three goals that prioritize student success, engagement, and smart learning systems to build the sustainable future of Sage Oak.

Goal #1 Student Success: To improve academic performance and College and Career Readiness for all students, we will implement comprehensive, grade-appropriate College and Career Readiness programs. This initiative will cultivate the confidence, skills, and spirit of innovation necessary for each student to confidently navigate their unique paths, enabling them to make a meaningful impact in their communities and the world.

Goal #2 Engagement: In order to enhance student, parent, and staff engagement, we will establish an environment that fosters connectedness and professional growth.

Goal #3 Smart Learning Systems: Leverage technologies, specifically Artificial Intelligence, to enhance data-driven decision-making, automate routine operational processes, and provide personalized learning pathways for students, thereby establishing scalable systems that ensure long-term sustainability, promote academic growth, and increase operational efficiency.

Sage Oak is dedicated to creating flexible, personalized learning environments that prioritize the success of every student empowering them to lead purposeful and productive lives. Together, we are shaping a future of opportunity and success.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Our credentialed teachers work individually with each student, and their parents, to create a personalized education plan, which includes curriculum selection. The curriculum is chosen based on quality and rigor, state standards, the student’s learning style and working level, as well as the parent’s chosen educational philosophy. The teachers have numerous options for curriculum, including state-approved materials, as well as curriculum aligned with various educational philosophies. The school has provided teachers and parents with a list of recommended standards-aligned, research-based curricula for all content areas, including required curriculum lists for math, reading for foundational skills, reading for informational text, and writing.

The parents are encouraged to utilize Sage Oak’s custom Interactive Curriculum Guide to pinpoint student learning styles and parent educational philosophies. The Guide collects information from parents about their students and ultimately provides a personalized list of high-quality curriculum options that appeal to the student and parent alike. Teachers are instructed to use these curated lists as starting points when considering personalized curriculum options for students.

In addition, the parents and teachers are provided information on multiple curricular options, including but not limited to curriculum alignment, daily learning schedules, course plans, educational philosophies, and the research behind each philosophy.

The teachers also have access to the Education Services department to help in the selection of appropriate materials for each student. When requested, the Curriculum Coordinator works closely with teachers to determine strong curricular options for the students on their roster. Curriculum plays a large role in Sage Oak’s personalized learning model.

English learner (EL) students have access to a standards-aligned English language development curriculum.

Intervention students have access to standards-aligned intervention curricula in mathematics and reading, as well as virtual small-group tutoring and reading specialists.

In addition, the school provides access for all students to online grade-level standards curriculum through various online programs such as MobyMax, i-Ready, BrainPop, ABCya!, Raz Kids, Read 180, TransMath, and Zearn.

There is an abundance of community providers to choose from when selecting a curriculum. We have a searchable community provider database on the Sage Oak website that shows the various community provider options.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Sage Oak's Parent Advisory Committee (PAC) meets six times annually, consisting of 19 parents, a facilitator, a coordinator, and an administrator. The PAC supports school operations by providing feedback on policies and procedures, aligning them with the school's Mission, Vision, Core Values, and Student Learning Outcomes. Acting as a bridge between families and administration, the PAC fosters communication, collaboration, and engagement ensuring parents' voices are heard in decision-making. The committee also cultivates a sense of community among parents, staff, and students, reinforcing a shared commitment to the school's mission and values.

The English Learner Parent Advisory Committee (ELAC) meets four times a year and consists of parents, teachers, administrators, and other school staff to ensure that the needs of English learners are met effectively. The ELAC's responsibility is to advise the leadership team in the development of our EL program, EL Masterplan, and to help spread awareness about the importance of school attendance and completion of EL curriculum. This collaboration may involve discussing teaching strategies, identifying areas of concern, and brainstorming solutions to improve language acquisition and academic success. It encourages the active involvement of parents in their child's education by providing opportunities for them to understand and participate in the academic and social development of their children.

Additionally, our parents are highly involved in the personalized learning plan of the students in our schools. The teacher, parent, and student work together and discuss learning philosophies to follow, curriculum to select, and classes to best support individual student needs. Parent feedback is solicited throughout the year both informally through learning period meetings and teacher interaction, as well as formally through the weekly surveys, annual LCAP survey, WASC accreditation parent educational partner groups, and the end-of-the-year parent survey to inform decision-making.

2024-25 School Safety Plan

The school safety plan was last reviewed in December 2023 and will be updated and board approved by March 1, 2024.

The school safety plan ensures emergency preparedness at learning period meetings, test sites, school events, staff meetings, and the school office. It also encompasses required biennial and annual staff safety trainings as well as school expectations in regard to first aid, mandated reporters, sexual harassment, and suicide prevention/procedures. The expectations of conduct for students/parents/guardians/staff, bullying, and hate crime reporting are also included.

Fiscal Year 2023-24 Types of Services Funded

Sage Oak Charter Schools has accepted Title 1, Part A federal funds to assist us in serving our at-promise students. Title I, Part A of the Elementary and Secondary Education Act (ESEA) provides financial assistance to schools to meet the needs of educationally at-risk students (AKA at-promise students). The goal of Title I is to provide extra instructional and curricular services and/or activities that support students identified as at risk of failing to meet the state’s challenging performance standards, most specifically in math or English language arts. In receiving these funds, there are certain requirements that the school must complete.

Requirements:

- Single Plan for School Achievement (SPSA)
- School Site Council (SSC)
- Family and Parent Engagement Policy
- School-Parent Compact
- Parent's Right to Know
- School Accountability Report Card (SARC)

Title 1- Eligible Sage Oak students include:

- Students identified as economically disadvantaged
- Students with disabilities
- Migrant students
- Homeless/Foster students
- English learners
- Students performing below grade level and identified as failing, or most at risk of failing, to meet the challenging state academic standards.

Title 1 funding provided all or a portion of the cost of the following resources:

- Elementary and secondary intervention programs
- Online educational support subscriptions
- Technology

(Action) Approval of Revised 2024-2025 Salary Schedule

Section: XIII. Human Resources
Item: A. (Action) Approval of Revised 2024-2025 Salary Schedule
Purpose: Vote
Submitted by:
Related Material: Revised 2024-2025 Salary Schedule_Presentation_1.9.2025.pdf
Revised 2024-2025 Salary Schedule_1.9.2025.pdf

BACKGROUND:

Sage Oak Charter Schools requests the Board approve revisions to the 2024-2025 salary schedule. The first revision is to extend eligibility for additional regular compensation to teachers who exceed their 1.0 full-time equivalent (FTE) during the month of August. The existing salary schedule already includes rates per student for the Personalized Learning Teacher, Personalized Learning Teacher+, Education Advisor, Virtual Learning Teacher, and Special Education Teacher exceeding a 1.0 FTE from September through June. This revision would expand eligibility to the month of August and retroactively compensate currently employed and eligible teachers for work performed in August 2024, recognizing the critical work teachers do to support students in successfully preparing for the school year.

The second revision of the 2024-2025 salary schedule includes a new compensation structure for Education Advisors (EAs) who exceed their 1.0 full-time equivalent (FTE) in live teaching classes. This change addresses the added workload when servicing additional students. Staff proposes implementing a new tiered compensation structure to be paid during the months of October through January for Semester 1 and March through June for Semester 2. Staff are requesting that eligible EAs receive retroactive payment for work performed during the first semester of the 2024-2025 school year.

RECOMMENDATION:

It is recommended the Board approve the revised 2024-2025 salary schedule as presented for Sage Oak Charter School (#1885), Sage Oak Charter School - Keppel (#1886), and Sage Oak Charter School - South (#2051).

Revision to Teacher Compensation for Class Size Overages

ADDITIONAL REGULAR: Staff serving in Personalized Learning Teacher, Personalized Learning Teacher+, Education Advisor, Virtual Learning Teacher, and Special Education Teacher positions may earn additional compensation for each student over their 1.0 FTE caseload during the months of **August** ~~September~~ through June. Teacher will need to serve students a minimum number of days in a learning period to qualify for additional compensation. Rate paid depends on the employee's range and step. See table below for rates.

New Compensation Structure for Education Advisors with Class Size Overages in Live Teaching Courses

LIVE TEACHING CLASS SIZE OVERAGE: Education Advisors (EAs) may earn additional compensation for teaching students beyond their 1.0 FTE caseload in live teaching classes during the months of September through June. To qualify, EAs must teach students for a minimum number of days within a learning period. The compensation rate is determined by the number of students over the 1.0 FTE threshold in a given month. See the table below for rates.

- Annual advancement from one step to the next on the salary schedule will take place on July 1 (or August 1 for 11 month employees) of each year and, per board policy, is contingent upon the employee working 80% of the fiscal year (eg. percentage of year worked is measured between July 1 - June 30). Salary schedule adjustments may be made at any time at the discretion of the Board of Directors and are contingent upon a board approved annual fiscal plan.
- Ranges 1-5 reflect an hourly rate and Ranges 6-18 reflect an annual salary.
- Annual salaries reflect a 1.0 full time equivalent (FTE) in employment. If the employee is part time, the rate will be modified to reflect the same FTE percentage.
- Range 8 reflects compensation for 12 months of work. For staff serving in an 11 month role on range 8, the salary will be proportionate to the number of months worked and be prorated.
- Range 15 and 16 / Step A: Certificated intern principal, assistant director, program specialist or assistant principal working toward earning an administrative services credential.

ADDITIONAL STIPENDS/CASELOADS (Certificated)

Advanced Degree stipend: Add \$1,540 annually (\$140 paid monthly while in active status) to a certificated teacher in range 6 and 7 that carries a Master's degree or Doctor of Philosophy (Ph.D.). Additional eligibility requirements: The employee must be serving as in certificated PLT, PLT+, EA, VLT, M/M SPED teacher, M/S SPED teacher, or Art teacher position as part of their 1.0 FTE in order to be considered eligible for the stipend. They must provide official transcripts directly from the college or university reflecting the conferred date as evidence to human resources. Additionally, the degree itself must be directly related to the teacher role.

- High School Principal salary supplement: \$5,400/annual (\$450 paid monthly while in active status)

- ADDITIONAL REGULAR: Staff serving in Personalized Learning Teacher, Personalized Learning Teacher+, Education Advisor, Virtual Learning Teacher, and Special Education Teacher positions may earn additional compensation for each student over their 1.0 FTE caseload during the months of August through June. Teacher will need to serve students a minimum number of days in a learning period to qualify for additional compensation. Rate paid depends on the employee's range and step.
