**Revised**

Dear Benefits Administrator:

Thank you for the opportunity you've given us to provide coverage to your employees. We appreciate the confidence you have placed in us, and we remain dedicated to providing you and your employees with quality, cost effective coverage.

We have completed our evaluation of your group coverage with us. Our analysis takes into consideration a variety of elements that include overall industry trends in claims incidence, shifts in employee composition as well as other financial or premium related issues that have a bearing on our cost structure. After careful consideration of the above factors, we have established the pricing for your upcoming policy period.

The resulting renewal rates are shown on the attached page. It is our expressed intent to provide the best possible relationship of benefit costs to the products we provide to your group. Please be assured that our analysis has been completed with this in mind.

We offer a variety of products including optional/supplemental life, short and long term disability, dental and vision coverage, and an Employee Assistance Program (EAP). If you have any questions regarding our renewal assessment or would like information regarding our products, please do not hesitate to contact your insurance broker or your Sales representative.

We appreciate the opportunity to provide your employee benefits and look forward to continuing our relationship.

Sincerely,

***Lisa Perry***
