School Leadership and Management IRN: 0212030

Effectively staffing our school is of critical importance to our students achieving excellent outcomes. Efficiently managing the day to day needs of the school while ensuring student safety, fiscal responsibility, compliance management, and the overall health and well-being of our students is led by our School Leadership Team with strong support from our Model Leadership.

We have created a smaller “Intergenerational Schools Network” consisting of the three schools who work collaboratively and cooperatively and each has its own agreement with our supporting organization, Intergenerational Cleveland. Intergenerational Cleveland is made up of a Board whose majority consists of school board representatives from each of the three Intergenerational schools.

Model Leadership

The Model Leadership structure changed right before the 22/23 school year. Brooke King, the Executive Director in conjunction with Educational Advisory Council (EAC) restructured the schools' educational design. Due to this restructure, the Principals now report directly to the Executive Director. The EAC decided that the model would contract Educational Coaches that would help drive the educational model throughout all three schools to ensure uniformity in instruction.

Day to day operations of the network is overseen by Sarah Alonso, the Director of Model Operations. She supervises the Director of Safety & Facilities, Operations and IT Specialist, the HR Specialist, as well as the Enrollment Specialist.

School Leadership

April Maimone is the Principal of Near West Intergenerational School and reports to the Executive Director for the Intergenerational Schools. Ms. Maimone has a teaching background and has experience working in charter schools, most recently Step Stone Academy.

Emma Monaghan is the current Assistant Principal. She has a Master's Degree in Educational Leadership and brings with her multiple years of teaching at the Intergenerational Schools.
