

Intergenerational SCHOOLS

A COMMUNITY OF LIFELONG LEARNERS

School Leadership and Management IRN: 014913

Effectively staffing our school is of critical importance to our students achieving excellent outcomes. Efficiently managing the day to day needs of the school while ensuring students safety, fiscal responsibility, compliance management, and the overall health and well-being of our students is lead by our School Leadership Team with strong support from our Model Leadership

We have created a smaller "Intergenerational School Network" consisting of the three schools who work collaboratively and each has its own agreement with our supporting organization, Intergenerational Cleveland. Intergenerational Cleveland is made up of a Board whose majority consists of school board representatives from each of the three Intergenerational Schools.

Model Leadership

The Model Leadership structure changed right before the 22/23 school year. Brooke King, the Executive Director in conjunction with Educational Advisory Council (EAC) restructured the schools' educational design. Due to this restructure, the Principals now report directly to the Executive Director. The EAC decided that the model would contract Educational Coaches that would help drive the educational model throughout all three schools to ensure uniformity in instruction.

Day to day operations of the network is overseen by Sarah Alonso, the Director of Model Operations. She supervises the Director of Safety & Facilities, the Operations and IT Specialist, the HR Specialist, as well as the Enrollment Specialist.
