II. Human Resources

A. Model Wide Admin Salaries

- Rachel - you seem comparable and on track with what we do.
- Amy: Is it based on Time?
 - It is based on understanding, experience, and task difficulty
- Brooke: Is this school specific or non-profit specific.
 - Factor in for Sarah, Tia, and Amy get a 5-year bump.

Can we get rid of Maxim if we find someone?

Rachel: Having the levels and being able to spell out what it takes to get from level to level is important. Define positions. Make some bands.

Brooke: Check our people to CMSD. Try and find a percentage of that.

- Find percent of teacher scale to CMSD and apply that same percent to Admin.
- Check CMSD and Breakthrough
- Somewhere between L2 and L3 percentage
- Draft steps, same as teachers, go by years of experience.
