## II. Opening Items

### A. Record Attendance

### B. Call the Meeting to Order

S. Miller called a meeting of the board of directors of Intergenerational Schools to order on Wednesday Dec 10, 2025 at 6:07 PM.

### C. Mission Moment

B. King began with some school updates, that are occurring at both TIS and NWIS to help our food insecure students over break. Progressive donated \$4000 worth of food to IGS and NW orchestrated efforts of fundraising as well on their own. IGS is still currently receiving donations for this student fund, and we have receive over \$5040 in monetary donations thus far. That number is including gift cards donated from Progressive.

B. King explained to the board that TIS is one of the top 4 schools in the *Stay In the Game* program. TIS was recognized for their attendance improvement since beginning the program. Due to this, TIS had Chomps in for their community meeting in November, and 10 teachers were invited to the game the following Sunday after. The teachers represented TIS during the national anthem on the field and the TIS logo was on the jumbotron screens during portions of the game.

B. King informed the board that the conferences have had great turn outs so far and that IGS is aiming for 100% participation. So far NWIS is at 97% and TIS is at 83%, but both schools will still have the option available for families after conference days pass. B. King also let the board know that IGS has been doing family pulse touches through Possip. For NWIS they received a score of 2.91 out of 3, and TIS had a score of 2.76 out of 3. Alumni Visit: Oscar Fraunfelder and Jayla Alvarado, recent alumni of NWIS. Oscar is at Hawken School of Mastery in University Circle and Jayla is at Cleveland School of the Arts selective CMSD high school. They both explained how NWIS helped prepare them for their high school experiences. Jayla is trying out for the All City Musical a partnership with Playhouse Square. Oscar explained to the board that a project he is working on with his school has put him in contact with a local nonprofit called Project Hope that works with seniors in Glenville and after he told them about our intergenerational programming, they are looking into partnering with a local school.

S. Wasserman, a first year Teach for America teacher, and Student Council Advisor introduced herself. The student council is interested in coming to every board meeting going forward.

A. Ahmad showed the Board one of the positive reward carts the Curriculum Specialist had created to help acknowledge students who are working hard on their academics.

### III. Public Comment

#### A. Public Comment

S. Miller opened the floor for public comments, there were none to be made at this time.

### IV. Sponsor Reports

#### A. CMSD/ESCLEW Sponsor Report

ESCLEW: A. Lentz for J. Lewis reminded the board of upcoming professional development opportunities through ESCLEW. She went over what the positive student interviews conducted in November. She informed the board about the December site visit which will look at student files and monitoring plans, results will be emailed afterwards. She stated that members should inform J. Lewis of any events and/or trainings that any board members attend to fulfill their annual compliance goals. She let the board know that ESCLEW plans to have another online sunshine law training in the spring. As of right now TIS is meeting their attendance goal at 80-90%.

Matt Rado was not in attendance for a CMSD sponsor report.

### V. Consent Agenda (Please read Board Resolutions for Personnel Action detail)

#### A. Approval of October 29, 2025, Minutes

R. Nicolay made a motion to approve the minutes from October School Board Meeting 2025 on 10-29-25.

J. Lopez-Inman seconded the motion.

This was performed as a roll call vote since there were two board members remote. (Steven Lake-for NW only and Richaun Bunton for both schools) FYI Carolyn Wald serves TIS Board only.

The board **VOTED** unanimously to approve the motion.

#### B. Contracts

**NWIS: NEW-LearnWell**--To provide direct instruction and continuous administrative support for a hospitalized student. LearnWell will work with the school to obtain the student's individual coursework and will complete the assignments with the student in a classroom setting. The cost of this service is \$53.50 per hour for five hours of educational services per week and will not exceed \$2000 to be paid out of general funds. This is an unbudgeted expense.

Approved in Consent Agenda

### C. TIS ONLY: Fall Contract Modifications

TIS:

- **Section 1.5, Section 3.2, Section 7.2**—Community schools are no longer required to submit a Comprehensive Plan, this will be incorporated into the description of the management & administration of the school.
- **Section 4.1**—Updates include statutory changes to the language of R.C. 3314.03
- **Section 4.3**—Schools are required to incorporate training on sexual abuse into in-service training.
- **Section 6.3**—Legislation requires community schools contracts to specify the educational philosophy of the school.
- **Section 6.13**—Recent legislation has changed the attendance and truancy standards applicable to community schools.
- **Section 9.7**—ESCLEW voluntarily voted to exclude the Quality Community School Support grant funds, transportation funds, Student Wellness and Success grant funds, and facilities funds from its collected Sponsorship fee.
- **Section 9.1**—Community School must establish policies regarding internal financial controls, which must be included in Attachment 9.10.
- **Attachment 11.6**—The Performance Accountability Framework has been updated to reflect changes to report card data.

All contract modifications were approved in the Consent Agenda

### D. TIS ONLY: Out of State Field Trip

TIS:

- A field trip to Detroit, Michigan, will provide the Applying Stage students with a rich, hands-on learning experience that will enhance their understanding of African American history, culture, art, and music. Students will visit three of Detroit's most iconic cultural institutions: The Motown Museum, The Charles H. Wright Museum of African American History, and The Detroit Institute of Arts (DIA). The cost of this field trip will not exceed \$7,900 and will be paid for with general funds and fundraising efforts conducted by the students. This is a budgeted expense.

**F.**

### **TIS ONLY: Reading Achievement Plan Due to ODEW Dec 31**

TIS Reading Achievement Plan (as presented in Board packet) was approved in the consent agenda.

## **VI. Advancement Report**

### **A. Advancement Report - December 2025**

M. Higbee updated the board on year to date fundraising including in-kind donations. She informed the board that the schools will be distributing food bags next week before winter break. M. Higbee also told the board that all the board members should have their appeal letter packets and thank you cards/envelopes to send to their contacts. Donations had been received from contacts of S. Lake, B. Roy, and B. Norton so far. She urged members to follow up to their contacts before the end of the calendar year.

B. King let the board know that B. Roy had a birthday party this past weekend, and asked his guests to donate to the schools in lieu of birthday gifts. She attended the event and met with a former state legislator who expressed interest in starting a scholarship fund for IG students.

## **VII. Decision to Pursue a Potential Merger of TIS into Near West**

### **A. Potential Merger**

R. Nicolay made a motion to table the decision to commit staff time and energy to pursuing a potential merger until October of 2027.

D. Clark seconded the motion.

B. King briefly reviewed the information presented to the Board members in October and answered any questions. See Board packet. B. King explained that the merging process would require approval from the schools' sponsors, bank holding TIS's mortgage, and the Department of Education and Workforce in order to be completed. B. King reiterated that the staff at both schools are currently not in favor of pursuing a permanent and irreversible merger at this time. The staff at TIS would really like the opportunity to reach High Quality funding on their own; TIS has been working to increase student and staff retention, professional development to improve instruction, and student interventions to help them achieve their goals.

B. King informed the board that the law was recently amended that would allow TIS to qualify in 26-27 under a different set of criteria than the historical 4 stars in progress and higher PI than neighboring district for 2 consecutive years (which would only allow TIS the opportunity in 27-28 since last year's PI was one point below the district's). The new provision allows for schools receiving 3 stars in achievement and progress to qualify.

This was a roll call vote due to 2 board members being remote. (Carolyn Wald voting for TIS only, and Steven Lake voting for Near West only, all other member voting for both schools)

The board **VOTED** unanimously to approve the motion.

**Roll Call**

S. Lake	Aye
J. Lopez-Inman	Aye
L. Carpenter	Absent
C. Wald	Aye
R. Nicolay	Aye
D. Clark	Aye
R. Bunton	Aye
B. Norton	Absent
S. Miller	Aye

**VIII. IGCIe Task Force Update**

**A. Information/Q&A**

S. Alonso explained to the board that the taskforce has looked at multiple examples of networks of charter schools in Ohio for examples of structure. The group decided to table the CMO discussion and instead focus on current efforts to streamline technical and operational functions of the two schools and supporting organization in order to simplify the bill backs and multiple cross-entity transactions. S. Alonso informed the board that our legal counsel is offering recommendations regarding revision of the agreement and some criteria on allocation of fundraising. She explained that our counsel is helping to ensure the school boards retain their supervisory power of all staff even if they are employed at the supporting organization level. S. Alonso stated that we hope to have a revised agreement for the School Boards in the spring to take effect in July for the new fiscal year.

**IX. Finance**

**A. Approval of October Financials**

R. Nicolay made a motion to approve the October financials.

D. Clark seconded the motion.

D. Karousis went over the October financials for both schools and let the board know where each is currently compared to budget. He explained that the Mangen team is currently working on the financial audits, and these take into account enrollment and other compliance measures.

This was a roll call vote due to having 2 remote board members. (Carolyn Wald voted for TIS only, and Steven Lake voted for Near West only, all other members voted for both schools.)

The board **VOTED** unanimously to approve the motion.

**Roll Call**

B. Norton	Absent
C. Wald	Aye
J. Lopez-Inman	Aye
S. Lake	Aye
S. Miller	Aye
R. Nicolay	Aye
L. Carpenter	Absent
D. Clark	Aye
R. Bunton	Aye

**B. Treasurer RFP Update**

S. Alonso explained the RFP process and time frames. B. King informed the Board of our lawyer's interpretation of the current Mangen contract requiring a formal termination notice which starts a clock allowing for a cure period. She explained that our Treasurer, Celeste, did not interpret the agreement that way, but she understood our lawyer's perspective. Therefore, B. King let the Board know that following legal advice, the schools were going to provide written notice of termination in December, of the current Mangen contract as it is written, and this would keep the RFP process on track. The Mangen team intends to submit a proposal. There will be more updates with regard to the process before the Boards are expected to vote on either a revised Mange contract or a new contract with a different provider, potentially in March.

**C. Enrollment**

B. King went over the enrollment dashboard for December (please see Board packet). B. King explained to the board that Early Enrollment and Re-Enrollment will be starting right after winter break. Staff plan to reach out to CMSD families affected by the Building Brighter Futures mergers that are affecting nearby schools, and that will increase all K-9 CMSD enrollment to 500 students per building. She showed a video ad that Brand Pivot created emphasizing our small school culture, that will run for the next six weeks.

**X. Education Advisory Group**

**A. Student Survey Results**

R. Bunton we went over the findings of the students surveys and highlighted the positive changes to culture at TIS.

**B. Intergenerational Programming Interim Plans**

B. King explained the new plan instead of immediately filling the vacant Assistant Director of Intergenerational Programming position to provide stipends to teacher leaders that would like to lead the designing of intergenerational activities for their clusters. She explained the role each teacher leader would have, their responsibilities, and the stipend

for the position. B. King said the goal was to create a bank of learning stage appropriate lessons that can directly correlate with learning in the classrooms. S. O'Hara will oversee the positions, and handle all of the admin work of the programming. He will also see that activities will address state learning standards.

## **XI. Closing Items**

### **A. Next Meeting Preview for January 28, 2026 at 6 pm at Near West**

S. Miller went over the main topics that will be discussed at the next board meeting. She informed the board that the Advisory Councils and Task Force will be reporting out on their priorities. S. Miller also reminded the board that by January they will have mid-year CEO feedback to discuss. Together, the board also scheduled time for an upcoming vision session on Monday, February 23rd at 5:00 pm at Near West.

### **B. Adjourn Meeting**

A roll call vote was completed to end the school board meeting. All were in favor. None were opposed. It was a unanimous yes.

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 7:42 PM.

Respectfully Submitted,  
J. Lopez-Inman
