#### B. PHACS Bylaws

Culture Committee to be added to the By Laws. Text will be created for this task and the Board will then vote on this after the text creation.

#### C. Discipline Process

Javier Molina - Shared activities related to Discipline Policy

DOE Discipline Code in comparison to the Codes the School would like to review and add or remove to create the Discipline Policy that is best for Pharos Academy Charter School .

Board Member thoughts:

1. Restorative Justice approach
2. Different levels before reaching suspension
3. Welcome Back Circle
4. Superintendent suspensions - NA for Pharos Academy Charter School
5. Multiple school transfers - NA for Pharos Academy Charter School
5. Appeal process should be a little different for Pharos Academy Charter School

2nd Opportunity School concept explained by Principal Brown.

DOE provides a 2nd opportunity for scholars to be moved around to another school for 1 Year.

"BreadCrumbs Theory" discussed briefly by Principal Travis Brown

DOE has a safety net - DOE is designed to service all students. For Pharos Academy Charter School will to find out the appetite for the Board as what is out of bounds and the perimeters related to school expulsions.

Suggestion to have a Smaller working group to support the goal to wrap this up by the next Board Meeting.

Suggested approach to complete the Discipline Policy creation: Whole Sale DOE Discipline Policy and remove what is not needed for Pharos Academy Charter School and flush out what is not needed for the Appeal process.

Expulsion/Appeals process discussed briefly as it related to the discipline Policy creation and the committee to oversee the process.

- Appeal Process as it relates to the Culture Committees role.
- Should the Culture Committee become a full Committee.

The Culture Committee should have a Formal Role. The Culture Committee would be the first to review the appeal process and discipline codes as a check and balance.

Right now any appeal is directed to the Board Chair. At the school leave the decision is made, if there is a disagreement the appeal is directed to the Board.

SubGroup-Committee Volunteers

1. Tahina Perez
2. Javier Lopez-Molina
3. Sharon Beier
4. Briar Thompson

Schedule a meeting to review and create live edits to come back to the Board

A student from Pharos Charter School would not have the option to go to a DOE School. It would be a local school as we can not determine what DOE school they would attend.
