## II. Accountability

### A. Principal's Report

**Internal and External Events-** Start of school activities have been occurring as well as outreach external events for recruitment awareness. In December there were many internal events for the students and also external events for recruitment and community outreach.

**Enrollment** 2022-2023 enrollment was reviewed. Students who did not show up were removed from enrollment counts. Just a reminder that 10 of our 2019 cohort have already graduated. Some students have withdrawn due to transportation issues. Leadership is working on this.

**Attendance-** attendance rates at both the middle school and high school were reviewed and the percentages are stronger than last year. A goal has been set for chronic absenteeism to drop to 32%

**Teacher Retention-**vacancies are being filled for both middle and high school.

Accountability measures. POP #4 ends at the end of January. We should have updated information for Feb. meeting.

### B. Renewal updates

Renewal is slated to be reviewed at March meeting

## III. Closing Items

### A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 9:30 AM.

Respectfully Submitted,  
E. Robertson
