Previously Survey Monkey but now Board on Track is capable

Survey developed by this committee - based on what is going on in the current school year, pick questions based on SAP related to school and current events,

Do we have a previous survey? Yes, Mindi can email the one from Marc

Shanon - is there a rating per question ?

Mndi yes - the comments get included

Survey results lead to focus groups - seeing a lot of negative feedback with a certain group of the community, hold more focus groups with that group to learn more.

and feedback portion of evaluation is not never-ending. There are sections, need to be careful how it is conducted.

Mindi finds the survey questions from Marc's eval process
