II. Head of School Survey

A. Update on Progress

Avital update - shared an updated draft through google docs, there are annotations in different colors with comments:

- Green items are added from SAP
- Orange items are suggested changes
- Purple items are from Shannon
- Strikethrough items are to be removed

Tried to keep it to 5 and no more than 6 items per category

Discussion about the final categories from BoT template - question whether all should be separate

Desire to consolidate to reduce categories

Agreed to combine categories for finances, facilities, and resources into a single category

Agreed to combine items related to communication into a single category for family/community communications

Agreed that midyear evaluation would be shorter, focused on the specific annual goals identified together with HoS

III. Timeline Discussion

A. Board on Track article

Will discuss during next meeting

B. Brent will be attending the next meeting and we can talk with Brent about his timelines for submissions to DESE etc. as those might impact the evaluation timeline

IV. Next Steps

A. Outcomes and Timelines

Shannon - will discuss with Marcy the scope of financial items to include in the HoS evaluation

Maggie - will translate the Google doc into the BoT template before the Board meeting

David - working towards a presentation for Board, with timeline, template

Next Meeting 6/6

V. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 8:00 PM.

Respectfully Submitted,
Maggie Solis
