Discussed other potential new nominees. Noted that we don't want to pressure anyone to join, because they likely don't have the time / commitment to be a productive member if they are pressured. Also, long term recruitment is great - some committee members are working on this.

The Friends of PVPA needs to be a bit more organized before we send new prospects to them.

B. New Member On-Boarding

Materials for new board members can be found in BoardOnTrack --> Documents --> New Member Onboarding.

C. ByLaws Updates Discussion

Updating the ByLaws is a long process! The commissioner will pick apart every request and ask for justification for every change requested. We need to be sure this is reviewed by our lawyers, as well. We shouldn't be updating our ByLaws too frequently so should include everything we want done. This will likely take at least a full year. We want to not include any fluffy language.

Including a line about student members being voted in as full voting members may add pressure to students to fill a role they are not ready for. We want to be careful to not pressure students into joining the board. It can put students in uncomfortable and inappropriate situations.

Ask the full board about 2.4 Composition.

Pick up the discussion at 3.5 next time.

III. Other Business

A. Confirm Monthly Meeting Time

Monday, Dec 12, 2022, 8pm-9pm.

IV. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 9:08 PM.

Respectfully Submitted,
Shino Pichette
