II. Head of School Report

A. Brent's Report

Enrollment amendment was approved by DESE. We now have 2 students coming in the 12th grade from Palo Friere.

Auditions for next year are underway - music completed and upcoming are theater and dance.

Enrollment - back to pre-pandemic numbers! 185 on wait list with 411 enrolled (some with decline). 10th and 11th grade may be a concern if we see a drop off of students but it is not expected.

Performances - Pop R&B went to Shea Theater and performed for Aelin Rheinhardt.

Catalyst show, Equinox was last weekend. Headgear was just last night - audience was larger than expected. Coming up; MS Play, spring art show, spring music show, HS Theater and grad show. Graduation at the Academy of Music.

Events - ms dance, prom and ms step up.

MCAS - spring season 100% for 10th ELA, grade 7 & 8 did have make up days. More to come...first week of June is final test.

Course catalogue is published, grade meetings last week to review with students, worksheets for class sign ups for students. May 8th walk in scheduling begins. 1st year ever.

Block rotation - task force with parameters agreed upon by management and the Union. Presented at March curriculum day - looked at staff suggestions - arts wanted longer block. Dept leaders evaluated yesterday - all seemed happy with final schedule - 5 day schedule with 60 minute blocks dependent upon bargaining - 1 day per week with longer blocks (4) and community time on Wednesday. Depart Leaders will be talking to staff to gain consensus.

6 BSU students attending MLK Family Services tour to HBCUs. trip has been paid through a combination of school counseling budget and donations. We did our own trip last year MLK has been doing it for 37 years - better already established - 7 schools in 5 days.

Draft copy of 2023-2024 calendar. Will change - only thing that will not change is the 1st day of school, holidays and vacation weeks. Everything else is subject to bargaining. Paiadiea placement will be determined by task force. December curriculum day was moved after agreement in LMC. Items left based on current CBA.

David Potter made a motion to approve the 2023-2024 draft calendar.

Sasha Viands seconded the motion.

Calendar already agreed upon in Labor Management Committee. CBA required management to provide a calendar by Feb 1st. Bargaining has made the process different than usual. After negotiations the Board will need to make final approval. As long as not violating CBA management can produce a calendar that meets DESE requirements.

The board **VOTED** to approve the motion.
