A. Head of School Report

Brent Nielsen reported a current enrollment 398. A supplemental lottery will be held for 7th, 9th and 11th grades on October 17th with anticipated start date for new students on the 1st day of second semester.

Applications open for 2025-2026 lottery on November 1st. The lottery has historically been in mid Feb but will be later this year due to the possible changes to the charter region.

There have been several events since our last meeting: Sr. Sunrise, Open House, WOFA at Big E and the 10/3 Sr Capstone.

Upcoming events include: 10/24 Sr Capstone Dance Thesis, 10/25 Holyoke District & Juvenile Court Collaboration with LSU & WOFA, Octoberfest, 11/1 Latin Heritage Showcase, 11/1 mid semester grades close, and 11/2 Parking Space Fundraiser.

Charter Amendment was submitted on September 25, 2024. Public comment will be sought by DESE and Brent will distribute information to the community on how to participate. The Office of Charter Schools and School Redesign will reach out to the Administration with any follow up questions. At the January meeting of ESE the Commissioner will make a recommendation and then a vote will follow. Our lottery will be later based on this timeline as we will need to know the region to accept students.

Whole community will receive email with info on how to give feedback. BOT please encourage participation.

IV. Board Committee Reports

A. Finance Committee

Marcy Conner reported that the Finance Committee met on October 3, 2024. During that meeting Frank Serreti of Marcum LLP present the FY24 audit. An unmodified opinion was given with no audit findings - this is the best possible outcome for an audit. The audit report will show that the conservative approach to budgeting has proven successful for PVPA as the school is in good financial health. There was mention of the funds that are owed to PVPA by the Friends and both entities were encouraged to make a plan to settle the debt. The Finance Committee voted unanimously to accept the Audit report for the year ending June 30, 2024 and recommend that the Board of Trustees vote to approve as well.

Also discussed were the reserves and the need to increase the three months of funds set aside for operating expenditures. Currently there is \$1.5 million earmarked. A review of the quarterly expenses show that the school really needs \$2.2 million to ensure that there are enough funds to completely cover expenses for three months. The Committee approved the increase.

The final topic for the meeting was the FOPVPA Lease Agreement. The agreement states that the school will pay 130% of the bond payment on the building. In June 2024, as outlined in the bond, the interest rate increased - which in turn means the rent increases. PVPA has not budgeted for the increase in FY25. A proposal was presented that would give PVPA five years to absorb/budget for the increased lease while also allowing the Friends to pay down some of the debt owed to PVPA. The Committee approved the proposal and recommended that we present it to the Friends of PVPA.

Sasha Viands made a motion to approve the FY24 Audit Report as presented.

Craig Santos seconded the motion.

The board **VOTED** unanimously to approve the motion.
