## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

Three Rivers Charter School (TRCS) was founded as Three Rivers Learning Center in 2005 by a small group of committed teachers and parents seeking to create a school alternative on the Mendocino Coast. The founders worked tirelessly to build the foundation of our school that became TRCS and has grown and flourished over the years. We are an independent, publicly funded, tuition free charter school authorized by Fort Bragg Unified School District.

The mission of TRCS is to educate students in grades 1-8 to become well-rounded individuals with a life-long love of learning and the ability to think and act with moral integrity.

TRCS offers a small family centered school environment with a dedicated team of credentialed teachers and experienced support staff. Our curriculum aligns with state standards and we seek to serve the whole child by providing students experiences with art and music, project based learning, social-emotional learning, enriching elective opportunities, cross age activities and more. Each of the four classes at Three Rivers spans two grade levels which allows teachers to deeply know their students and how to best serve each individual's learning. Academic Excellence is our goal and we offer a variety of supports including Reading Intervention, Homework Club and a Student Support Counselor. Character Education through our REACH Program focuses on the values of Respect, Empathy, Achievement, Citizenship and Hard Work and aims to bring out the best in every child as members of our local and global community.

## About this School

Students with Disabilities	8.3

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

## 2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	
<b>Intern Credential Holders Properly Assigned</b>	
<b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>	
<b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>	
<b>Unknown</b>	
<b>Total Teaching Positions</b>	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2019-20 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2019-20
<b>Permits and Waivers</b>	
<b>Misassignments</b>	
<b>Vacant Positions</b>

## 2019-20 Class Assignments

Indicator	2019-20
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

We have recently gone through a curriculum review for English Language Arts and Math and have adopted four new curriculums. Wit & Wisdom (ELA) for Grades 1-6, and My Perspectives (ELA) for grades 7-8. For Math. Bridges is being used in Grades 1-5. Illustrative has been implemented in Grades 6-8.

## School Facility Conditions and Planned Improvements

TRCS is located in older buildings that are part of a junior college. The building's deferred maintenance items have been reported and are due to be repaired. There are a leaking gutters and because of a deficiency in water management systems there are signs of deferred maintenance.

The school is cleaned nightly with additional cleaning and sanitizing due to the Covid-19 pandemic. The students feel the school is clean.

\* The school is considered safe, however, better fencing is needed.

\* There are no planned or recently completed facility improvements.

\* The buildings are fairly old and are maintained.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

### B. Pupil Outcomes

#### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

At TRCS parents are encouraged to become an active member of the school community. We have a Parent Teacher Network Group (PTN) that meets 4 times per year. The PTN group is open to all families and staff at the school and helps the school function by providing ideas and feedback about school goals and initiatives and helping to design and carry out fundraising projects and school events. Traditionally the PTN has helped execute events such as Field Day, Music Concerts, 8th Grade Promotion and our annual Awards Dinner. The PTN meetings provide a place for families to connect with each other and staff and to hear about, give input and get involved with the school.

Our parents have an active role in creating our Local Control Accountability Plan (LCAP) which lays out our programs and goals. The TRCS Board of Directors is also comprised primarily of parents who help govern the school. TRCS parents provide transportation for their children to school and a lunch. Traditionally parents have volunteered regularly in the classrooms and on field trips. We look forward to having parents active and in person on campus again once Covid -19 pandemic safety protocols are lifted.

TRCS teachers send home weekly newsletters and there is a weekly school wide email bulletin from the School Director that keep parents informed of opportunities to get involved. For questions or information regarding parent participation, please contact the School Director.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

<b>Expulsions</b>	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

We have a Comprehensive School Safety Plan (CSSP) which is posted on our web-site ([www.trcschool.org](http://www.trcschool.org)). We have a Safety Committee which is mainly comprised of teachers. Every quarter the Safety Committee inspects the school grounds and buildings to note anything that may need attention. In addition to that, our CSSP covers disaster planning, and evacuation or procedures for dangerous situations. The Safety Plan was thoroughly reviewed and approved 12/2019. We have a storage facility where we have emergency items stored in case of an emergency hardship, and we hold regular practice drill for fire, earthquake, tsunami and lockdown. We have insurance audits on our facility including the playground. Further questions can be directed to the School Director.

## Professional Development

We meet with teachers on a weekly basis and they are given a strong voice in the management of the school. The Board also asks monthly for their feedback in regards to their classrooms and their needs. Mentors and consultants are provided as needed.

The following are PD opportunities are offered for teachers and support staff:

- \*Teachers and/or Board Members are sent annually to the charter conference which offers an abundance of training opportunities for teachers depending on their needs and interests
- \*All staff have subscriptions to Master Teacher which provides online training videos on a vast array of topics.
- \*All staff complete a set of safety training videos each year
- \*The least experienced teachers have a mentor teacher for coaching and assistance. All beginning teachers complete a the North Coast Teacher Induction Program with mentor.
- \*MTSS is being developed with training for the teachers
- \*A Professional Development Plan is generated each year with each teacher to determine the needed training.
- \*Staff attend virtual and in person trainings regularly that are offered by various entities such as our County Office of Education, Powerschool (our Student Information System) and Social Emotional Learning and counseling organizations.
- \*Beginning in the 21-22 school year TRCS engaged our County Office of Educations' Director of School Climate and Culture to lead the staff in a process of identifying top goals and beginning a cycle of continuous improvement.

This table displays the number of school days dedicated to staff development and continuous improvement.

## 2020-21 Local Accountability Report Card (LARC) Addendum

# Local Accountability Report Card (LARC) Addendum

## 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
