

Good evening TRCS board. I know it's been awhile, but I will still be reporting on all of our October events. To start it off, earlier we had a very fun and successful spirit week. This year, we added a new event to spirit week, called *Pie The People*. Where my fellow student council officers and I got the privilege of a pie smashed in our faces. YUM!! This event was a fundraiser for student council funds and with the help of our families, we managed to raise over 500 dollars. We also had a wacky fashion show, field day, an obstacle course and other various competitions, all worked around a very rainy Tuesday. Two weeks ago, we had our fall themed middle school dance. I think we all had a really good time. Looking forward, we also have some school dances and other activities planned to wrap up 2023. And the official date of a family dance on December 7th. We also have a PTN Movie Night coming up on November 29th, where Student Council will host concessions to continue raising money for fun events. We will continue to have student council meetings on Fridays and I look forward to telling you about all the fun events we will plan for 2024. Thank you all so much for giving me this opportunity again this year.
