3. Do you feel you get the support you need from your aide? Yes! Things are going better than at the beginning of the year.

7. Do you feel you are treated fairly at our school? Yes!

8. What changes would you like to see made at our school? Stronger music program.

9. How on pace are you to complete the required standards for each of the grades you teach? (100% means you are right where you should be)

HS English -> 75-85% 25%
HS WH - 80% 50%
HS USH - 70-80% 75%
JH USHBI - 80-90%
JH Pre-Algebra - 100%

10. Have you addressed the concerns your parents expressed in the survey?

To some degree.

11. How?

I have been meeting with parents + have just one family left to go. I am creating a survey to send home to parents too and I am trying very hard to give the kids the support they need to be learning in their classes.

12. How would you describe the climate of your classroom?
At times it is quiet and peaceful and there is a palpable sense of focus. Class discussions are always lively with often surprising connections drawn. At other times during independent work time students are too chatty + lose focus.
