B. Director's Report

R. Coy reviewed changes to State standards for social distancing and masking.

Schools are expected to open fully in the fall.

No certainty about what requirements will be next year at the county level.

Independent study for next year- state/county looking to end remote learning, but not sure about what will happen with independent study. State is looking to change independent study to look more like distance learning. Maybe require daily contact for independent study-- which would be new.

Emergency relaxation of Brown Act to allow virtual attendance at board meetings has been extended to the end of 2021.

State testing is completed. Next year, staff will need to begin identifying and addressing gaps in learning.

Continuing to work on enrollment at this point. Budget is being developed based on 98 students--but enrollment is currently short of that target currently.

Negotiations are in the beginning stages as to what the long term lease will look like.
