F. Consider Formation of Employee Compensation Committee

The board discussed the need for this committee several times in the past. A pay scale is needed for future pay increases of employees. There is a need for a process for teachers to use their professional learning credits for pay increases. Lisa is not present but she has expressed interest in participating in this committee. This would probably be an ad-hoc committee and will not be ongoing once a structure is in place. Mr. Lang may also want to be involved.

Roger added that the director should steer the committee, but cannot chair the committee.

Joe Aldrich added that the board can form a director's committee, which would not be under the Brown Act. Board members would not have to be on this committee, but it is probably a good idea for at least one board member to be involved. The director could also bring the information to the board to be looked over as a group.

Kim would rather not form a committee, but would like to work on the task and bring it back to the board.

No vote was taken.

IV. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 6:17 PM.

Respectfully Submitted,
D. Vogeles
