G. IT Support Proposal

K. Morgan and R. Adams have been discussing services with Software MSP for IT Support. The contract is month to month, so it can be cancelled at any time. K. Morgan reported that the company Software MSP is fully based in the United States and are providing services for many other charter and small schools.

R. Coy suggested that K. Morgan get feedback from other schools using this service, and make sure that they are vetted as a reliable, trustworthy company. L. Norman would like K. Morgan to find out if any other sites using the service have incurred unexpected costs with this service. K. Morgan will work on finding answers to these concerns, and bring back the topic to the July meeting, hopefully for a vote.

H. Internet Filter & Security Proposal

This item is tabled for a later meeting.

IV. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 6:28 PM.
