II. Staff and Faculty Support

A. Discussion of recent communication with BA President regarding possible and current teacher recognition efforts

The committee reached out to Dr. Reyes about his/the leadership team's thoughts about a possible Teacher of the Year Award. Due to the school's size and current practices of celebrating teacher excellence, this idea does not feel necessary or appropriate at this time.

III. Update Committee Goals and Action Items

A. Classroom Management Support

The committee would like to support and/or facilitate a current aim or goal of the leadership team in relation to teacher development, classroom management, or teacher celebration.

We plan to extend an invitation to the leadership team to see which areas we can help foster this assistance and support.

C. Board show of support

The leadership team is compiling a list of current practices in place to celebrate and recognize teacher strengths. This will allow the committee to identify areas in which the board can become more involved in a show of support.
