S. Wilson seconded the motion.

The committee **VOTED** to approve the motion.

II. Scholar Experience

A. Review of '23 and '22 Disciplinary Data

While the committee recognizes that each academic year brings additional students to campus, and this may explain a natural increase in the number of responses to behavior, it is important to have continuity in the interpretation and response to behavior.

The committee will return to school leadership with specific questions about the disciplinary data.

B. On-going Discussion with School Leaders re: Staff Support

The committee reviewed recent communication from the school president about faculty support and plans to continue this dialogue, hoping to identify an area of growth to facilitate training, development, or otherwise aid in administrative objectives in this area.

III. Update Committee Goals and Action Items

A. Committee Calendar

The committee finalized a monthly academic calendar of business, attached.

IV. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 7:52 PM.

Respectfully Submitted,
S. Wilson
