III. President Updates

A. Action plan that 75% of teachers should be certified by 2025

The location of the school has made it difficult to hire certified teachers willing to relocate to a small city in the mid-west south of the state. BA strives for the best talent, but admittedly there has not been a surplus of certified teacher applicants. The school continues to be present at education job fairs and post positions on-line. The school president has had discussions with the district about this challenge yearly. The district voiced that they recognize this and the board asks that the school leader comply with submitting a plan to the district on meeting the required 75% certified teachers by the end of 2025. The district has explained that they will likely audit hiring processes and see how they can support the school to increase certified teacher numbers.

IV. Finance

A. Audit

Auditor Mr Ken Martin presented the annual 2023-2024 audit. The firm has worked with the school over the past 5 years. Ultimately, it is the board and school's responsibility to manage the finances of the school. The audit follows evidence, administers tests of revenue, expenses as well as functions and internal controls. One strength noted, is the strong relationship between our accounting firm Veris. Mr Martin presented an unmodified clean opinion. There were no findings with regards to compliance controls or weaknesses. He notes that Federal funding was tested separately and had similar findings. Of note, the school 2023-2024 fiscal year was able to consistently keep cash-on-hand balance of 3 months and BA is encouraged to continue to do so, despite the district only needing 1 month cash-on-hand. It was also suggested that the auditor be invited to present earlier such as in the fall rather than the summer. There was also a suggestion of engaging Veris to do earlier surveillance such as in the spring, with a 45 day notice so that changes could be made before the audit was due.

The board applauds the school leader's efforts in trying to keep capital spending within the school's means and encourages him to continue the strong working relationship with Veris.

C. Robinson made a motion to approve the audit as presented by Martin Smith CPA.

H. Hoilett-Frierson seconded the motion.

M. Bunnell noted that the audit would be uploaded and made public in compliance with the district requirements.

The board **VOTED** to approve the motion.

B. 2nd read of budget 2025-2026

Treasurer D Buryj presented a second read of the 2025-2026 school budget. He highlighted corrections, adjusted projections for the next school year and the typographical errors found in certain line items.

C. Robinson made a motion to approve the 2025-2026 budget as presented.

H. Hoilett-Frierson seconded the motion.

The board **VOTED** to approve the motion.

C. Review Financials

Treasurer D. Buryj presented to May 2025 financials. Base funding is at 94% of goal, local funding at 54% of goal. Federal funding at 100% and total revenue at around 90% of budget. The board encourages the incoming board members and school leader to collaboratively devise a development plan to boost local fundraising to meet goals next year.

C. Robinson made a motion to approve the May financials.

H. Hoilett-Frierson seconded the motion.

The board **VOTED** to approve the motion.
