IV. Strategic Planning

A. Discuss and develop strategic plan

Presented by Brian Holman as written.

Question to the board on their current opinion...

Kevin - happy to keep growing

Patricia - Happy with direction

Adam - happy, would like to see a replicable curriculum for incoming staff

Brandi - very happy with slow thoughtful growth pattern as opposed to rush to build without foundation.

Question to Board, what is our strength to scale

Kevin - attention to detail, operating patterns, staff, and scholar focus. ECP is in a state that has plenty of education growth possibilities.

Brandi - leadership talent.

Question to the board, what are some missing pieces for scaling

Patricia - how much do we want to repliate? Enrollment model, start with lower grade and increase each year or start with full class levels.

Becky - experts in area of focus are growing in the current location, any scale will require same consideration of personnel.

Kevin - location consideration for large scale vs small scale. Will remote school be a concept across platforms.

Adam - staff training for effective, consistent communication, and training across multiple campuses.

Request from Kevin and Patrica to move forward with preschool advancements.

V. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 6:00 PM.

Respectfully Submitted,

K. Erickson
