II. Announcements and Recognition

A. Board and Superintendent Highlights

Superintendent Harrison shared that there was a lot to highlight. First off, the Capital and EP&O levies are passing and results are to be certified on February 20th. Participation was low, but we are grateful to those who voted. Girls' Flag Football is competing in the state, which is great, as this is their inaugural year. Boys & Girls Basketball are in districts this weekend, and the Mat Classics for wrestling are the following weekend. We have a production of Anastasia coming up. A mid-year review with all the schools is occurring tomorrow. President Vogel shared that she loves seeing so many kids out there participating. Last night she attended the District-Wide Choir concert, and it was wonderful. So many great performances and so many kids at the event. The house was packed.

VII. Business Services

A. Financial Report for December, 2025

Under Business Services, Donna Morey provided the information for the monthly financial report in the board members' agenda packets. There were no questions. Items of note were:

GENERAL FUND

Fiscal year-to-date revenues and expenditures are both tracking near 31%-32% of the annual budget which is consistent with historical seasonal norms for December.

Local child nutrition program revenue remains modestly below last year, consistent with universal feeding impacts.

Salary and benefit costs continue to rise year-over-year, but remain aligned with budget assumptions.

CAPITAL PROJECTS

Revenue in December consisted of property taxes, investment earnings, impact fees, and proceeds from the tree farm harvest.

Similarly, expenditures were for small projects, and the costs related to the tree farm harvest.

DEBT SERVICE FUND

In December, interest and principal payments were made on the 2016 Bond and 2022 LGO.

TRANSPORTATION VEHICLE FUND

There was no significant activity in the Transportation Vehicle Fund in December.

E. First Reading of the following Course Proposals

Assessment and Learning Director Amy Low shared an overview of the new courses being presented for first reading. She shared who was in attendance for the January meeting of the Instructional Materials Committee and that there were three courses for the 2026-2027 school year- one at White River High and 2 at Glacier Middle.

Principal of White River High School Cody Mothershead then came up to present information on the A.P. Physics 1 course, an algebra-based, introductory college-level physics course equivalent to the first course in an introductory college sequence. Students will build their understanding of physics through physical models as they explore and solve problems through inquiry-based investigations. Students should have completed geometry and be concurrently taking Algebra II.

Michael Joshua, Assistant Principal from Glacier Middle School, presented information on the two course proposals for Middle School. The first course was for Yearbook, a year-long course designed for students to collaborate in the creation of the Glacier Middle School yearbook. Students will gain hands-on experience in various aspects of yearbook production, including photography, layout design, writing, and editing. The course emphasizes teamwork, creative expression, and professional skills. The second course was for Advanced Percussion, which requires 1 year of previous training in Beginning Percussion. In this course, students will refine and advance skills on core, mallet, and auxiliary percussion instruments. All advanced percussion students perform at least 4 formal concerts during the year. This is a year-long course.

The course proposals will go up for second reading and approval at the next regular board meeting.

IX. Closing Items

A. Board/Superintendent Comments

Superintendent Harrison gave a shout to Cheryl Ohlde and her work in the CTE Department and how much it has grown in the years. Director Scheer shared that CTE is doing a good job and anything we can do to help kids find their interests is great.

B.
