B. Strategic Plan priorities

Smith- we are working on our 5 year strategic plan. Dr. Marsh has made a list of priorities:

1. CAASPP scores should make steady progress towards a goal of the majority of students earning a passing score of 3 indicating that they are on grade level in ELA, Math and Science.
2. The Strathern property will be developed under a CUP and a gymnasium will be built on that property. Parking and traffic abatement will also be part of the use of Strathern.
3. A succession plan for training current administrators to move upwards in leadership will be implemented.

4. Renewal Petition will be submitted to LAUSD in Fall of 2027, before the expiration date of the current charter in June of 2028.
5. A robust program of social emotional support and mental health services will be maintained with the result of reducing the frequency of drug use on campus and suicidal students needing hospitalization.
