The purpose of a public meeting of the Board of Trustees ("Board") is to conduct the affairs of the School in public. We are pleased that you are in attendance and hope that you will visit these meetings often. Your participation assures us of continuing community interest in our School.

Individuals may also request that a topic related to school business be placed on a future agenda and once such an item is properly agendaized and publicly noticed, the Board can discuss, respond, and possibly act upon such an item.
