The purpose of a public meeting of the Board of Trustees ("Board") is to conduct the affairs of the School in public. We are pleased that you are in attendance and hope that you will visit these meetings often. Your participation assures us of continuing community

a. **Non-agenda items:** any person may address the Board concerning any item not on the agenda provided that no individual presentation shall be for no more than 3 minutes (or 6 minutes with translation) and the total time for this purpose shall not exceed 20 minutes (provided that the President may grant additional time if circumstances permit).

Ordinarily, Board members will not respond to such presentations and no action can be taken as the Board is allowed to take action only on items on the agenda. However, the Board may give direction to staff following a presentation or calendar the issue for further discussion. Individuals may also request that a topic related to school business be placed on a future agenda and once such an item is properly agendaized and publicly noticed, the Board can discuss, respond, and possibly act upon such an item.

A. Independent Study policy updated

N. Mondragon seconded the motion.

- Last April, a new independent study policy was approved. JJMS will be limited to emergencies.
- Sacramento changed the law, and JJMS has to update the policy.
- What changed was the time parents needed to sign the agreement and the time kids had to turn in work.
- On October 30, LA City will install speed bumps between Yolanda and Reseda.
 - JJMS will expect employees to come to campus, and kids who would like to be on campus that day will be allowed to be there.
- The new policy states impassible roads.

- The sentence "James Jordan Middle School ("Charter School") may offer independent study to meet the short or long-term educational needs of pupils enrolled in the Charter School only as needed in the case of emergency conditions as described in Education Code Sections 46392 and 46393 (e.g. fire, flood, impassable roads, epidemic, earthquake, epidemic, war, imminent safety hazard determined by local law enforcement)."
