2021–22 School Accountability Report Card
Reported Using Data from the 2021–22 School Year
California Department of Education

Address:	4551 Steele St. Oakland, CA , 94619-3312	Principal:	Krishna Feeney
Phone:	510 842-1181	Grade Span:	

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2022–23)

Urban Montessori is a tuition-free TK-8 public charter school located in Oakland. Our school is based on the teachings of Maria Montessori and authorized by the Alameda County Board of Education. Our mission is to develop self-directed and engaged learners who are academically, socially, and emotionally prepared to succeed in any high school. Nurturing the innovators of tomorrow to creatively meet the challenges of today's world with confidence, compassion, and grace, Urban Montessori cultivates individual curiosities and strengths while holding children to a high standard of excellence. At Urban Montessori, children deepen their understanding of what it means to live responsibly in a diverse urban community.

We serve a socio-economically, racially, and culturally diverse community of children because we believe that all children learn about different backgrounds and perspectives by living and working with people from those backgrounds and perspectives. We are actively creating a truly inclusive school community reflective of the racial and socioeconomic diversity of Oakland. We recognize that maintaining a respectful community where all students achieve, differences are valued, voices are heard, and power is shared requires constant dialogue and hard work; that we must create safe spaces to openly check each others' biases and assumptions, and talk openly about power and privilege, in order to model the society and community we wish our children to become part of. We hope that families choosing to apply to Urban Montessori will share our dedication to these values and goals.

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Urban Montessori currently operates 4551 Steele St. Our lease with Oakland Unified School District for this site which serves grades TK through 8 ends through June 2024. We are in ongoing long-term lease negotiations as well.

This campus has 16 classrooms; a library used for assessment, afterschool program, and pull-out instruction; a multi-use space for lunch and assemblies; and office space. The facility also includes a playground area and garden space, but no on-site parking for staff or visitors. Street parking is used by all.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
English Language Arts / Literacy (grades 3-8 and 11)	N/A	36%	N/A	46%	N/A	47%
Mathematics (grades 3-8 and 11)	N/A	24%	N/A	34%	N/A	33%

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Opportunities for Parental Involvement (School Year 2022–23)

FAC

The Family Advisory Council works to increase the achievement and engagement of every student through continuous improvement of curriculum, instruction, assessment, and culture. The Family Advisory Council leads three types of meetings (1) General Council Meetings, (2) Community Input Meetings, and (3) Classroom Meetings. All school community members are welcome to all meetings. FAC representatives provide information, feedback and make recommendations to the School Administration and the FAC Board representatives, who will be charged with sharing FAC recommendations with the UMCS Board of Directors as appropriate. The FAC will select two of its members to be representatives on the UMCS Board of Directors.

Volunteer Opportunities

We regularly recruit volunteers to support our school lunch program, Reading Buddies, Fundraising Committee, Friday Montessori Coffee Mixers, Garden Team and drivers for field trips. We send out volunteer forms that allow the community to communicate where they can offer their services. UMCS has also migrated this information into the parent communication platform ParentSquare and our student information system which allows parents to access volunteer opportunities and submit responses much more efficiently.

Community Engagement

We regularly host community engagement events to give families opportunities to learn about different aspects of our educational programming and to give their input on larger school decisions. Event topics include Montessori pedagogy and curriculum, socio-emotional learning, testing, and parenting workshops while community input meetings can center around facilities decisions, school budget, or major staffing changes.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions for School Year 2019–20 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	0.24%	1.41%	2.45%
Expulsions	0.00%	0.00%	0.05%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
Suspensions	0.00%	1.59%	0.02%	2.97%	0.20%	3.17%
Expulsions	0.00%	0.00%	0.00%	0.00%	0.00%	0.07%

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

School Safety Plan (School Year 2022–23)

Our School trains and prepares students and staff on the appropriate and safe procedures to follow in the event of an emergency through staff in-service training and student drills. Since no two emergencies will be the same in nature, scope, or magnitude, it is necessary for the emergency plan to be basic, flexible, and subject to modification as the need arises. Modifications will be at the discretion of the Head of School and the local civil authority. The plan is reviewed annually. Most recently in 01/2022.

Highlights of the plan include and are not limited to Incident command structure, the response in an emergency situation, triage and medical care and building security
