II. Finance

A. Discuss current Fiscal Year to Date Budget Forecast

Edtec shared that the forecast is now a \$9k operating deficit. Some new revenues, but also increase costs due to COVID and SB740 revenue reduction that tracks with ADA decline for those grade levels.

PPP loan funded, supporting cash flow at this time, and hopefully helps us maintain as the state now predicts cash deferrals in the future.

Davis asked about Loan to Grant? Bryce responded that we aren't sure. Original guidance continues to apply, but we continue to operate for now as a loan.

No public comment.

B. Budgeting for Fiscal Year 2020-2021

Committee looked at prior draft budget and current draft budget (post Governor's revise).

Already adjusted field trip revenue and health care from platinum to gold in the latest draft budget.

Committee reviewed the Governor's May Revise and all the changes from January. Hopeful that the state has already planned for the worst, and could improve with Federal support (if that materialized). Deferrals will happen from the state.

Potential budget supports for next year: PPP forgiveness; HEROES Act; Coronavirus Funds -- none are set in stone or guaranteed to happen.

BUDGET for 2020-2021: per CA guidance, reduced STRS rate, lowered funding rates. Still at draft operating deficit of \$165,000. Budget the Board will vote on in June will be balanced. As more information comes in, Administration will finalize final recommendations of combinations of increased revenues and decreased expenses required to balance the budget.

Need to continue to budget on recurring annual revenues and be prepared to weather longer term recession and future annual cuts. Still planning for flat salaries and no undesired FTE reduction -- one staff requested reduced time.

Committee reviewed historical cash flow from the state from the last recession.

Using loan guidance on eligibility for forgiveness, but not counting on that.

Committee discussed and recommended a resolution to accept the PPP loan.

No public comment.
