II. Executive and Governance

A. BoardOnTrack & Board Training and Development

Christina shared about the work to date to share the Board Assessment. Christina will share back out the Board Assessment, the approved Board Book, and the Bylaws to Board members. Christina suggested doing 1:1s with Board members to continue answering questions, as the Board Assessment showed some folks wanting more info about "job description" -- which we have and Christina will share when she re-shares the Board Assessment report itself.

The committee reviewed the current Board "Skills Assessment" and end of term dates to start thinking about Board membership recruitment.

For HoS evaluation tools, Christina will remind the Board to review the Memo and Report. Plan to review with full Board in October, and only after any action taken to accept the Memo, would this Committee then review with the HoS, which in turn launches the next cycle.

The Executive Committee discussed how they have supported the formal Board Finance and Academic committees and wondered if there was any role and need for Executive Committee to support the FAC also.

Our other work coming out of the Board Assessment include "Short and Long Term 'Succession' Planning", which is the next item on this agenda.

No public comment.

B. Discuss Succession Planning

Short term succession planning would be in the case Krishna needed to be out and fully away from school for a temporary/short-term amount of time. The Committee discussed Mr. Daniel being a strong option as the right person to step into the full HoS role temporally, and lead on communications. The committee discussed that doing a small contract with a retired or former public school administrator for specific tasks would likely be an option. For example, Board support may be sufficient in Special Education but could contract if needed more help right away. Board may be more likely to support keeping an on County deliverables and supporting Operations to complete as needed. Committee members will connect with such possible administrator contractors to see about informally lining up support so that more pieces are put in place and so that it's not during the temporary absence that this conversation first occurs -- trying to scenario plan particularly given COVID-19. Krishna will speak more with Daniel and engage with Staff and bring back their ideas thoughts to be incorporated into the scenario plan.

The committee tabled hypothetical Long Term succession planning for a future meeting.

No public comment.

C. Review Board Calendar by Topic

Davis commented that Finance and Executive's work seem pretty settled. Some changes may be needed to calendar of topics of Academic as it supports towards renewal.

No public comment.
