II. Executive and Governance

A. BoardOnTrack & Board Training and Development

This item was moved until after item 2E.

With BoardOnTrack coaches, the committee reviewed current success plan goals, including progress made against emergency and longer term succession planning; evaluation during 2020-2021; and charter renewal preparation. Committees are making progress against each. Coaches asked if renewal needed its own committee or if this committee plays the role of coordination. Greg responded that more likely it's this committee's work, as we are so small, with additional leadership capacity from our Chair and Head of School partnering together.

Christina left at 1:45pm.

BoardOnTrack Coaches reminded the committee about using custom questions if we want prior to the HoS. Greg will work to integrated Executive Appraisal tool questions into this year's evaluation.

No further comment or public comment.

C. Greenberg left.

B. Discuss Board Recruitment, including Board member renewal terms

Greg's the next Board member whose term is up, at the end of June 2021. Greg shared that he's willing to continue to serve. If not via the Board, he'd be interested in being involved still via the FAC. Krishna and committee discussed future renewal.

No further comment or public comment.

C. Review Anti-Racist Board Practices Docs

Christina shared more on the tools and resources from when she attended School Board Partners conference last year. There is a self assessment, a rubric, and a pledge.

Christina asked about our ability to capture employee applicant background information, and Krishna responded that thought our current platform can do that, and it de-links that info from candidates -- keeps it anonymous. Greg suggested the committee discuss an annual fast-facts template describing "who we are" as a school community, that could then get updated periodically. Christina also shared it's important to audit and review pay equity, and Krishna agreed and that the recent pay scale helps a lot with that issue.

Jan joined the meeting and asked about getting access to the rubric (which is set as private currently), and about being sure we are able to look at parent and staff disaggregated survey data.

Next steps for board members will be to complete: annual BoardOnTrack skills assessment, School Board Partners self-reflection and share with Christina G., and if they want, sign the pledge with School Board Partners.

No other public comment.

D. General Governance Materials

Christina shared other good governance materials from the School Board Partners convening. Resources augment what comes with BoardOnTrack, including resources related to evaluation, onboarding new Board members, and also on succession planning. These are in the packet for this meeting.

No public comment on this item.

E. Discuss External Head of School Job Description and Responsibilities re: succession planning

Krishna shared a new draft of a Role and Responsibilities document that she's started using with staff -- still very much a working document. It's a distillation down from a formal job description.

Krishna reviewed the current job description and thinks that it would generally work as is if it were needed right away. Can bring the Roles and Responsibilities to the Board to share as a communication tool and let folks ask questions on it, and make comments.

No public comments.

F. Discuss DRAFT: School Plan for Student Achievement

Krishna shared the latest draft of the SPSA. Greg commented on the document and added some suggestions.

Krishna shared that we usually have a qualifying LCAP, but this year we instead only had an LCP, so we also need an SPSA. ELAC being engaged this week, along with parents on the Board, and via the FAC.

Greg asked about ATSI and how that relates to completing the SPSA. Krishna will connect more with Edtec on requirements.

No public comment.

III. Closed Session

A. Public Employee Performance Evaluation - Head of School

The Board entered Closed Session on this topic at 2:25pm

B. Report out of Closed Session

No action taken.

IV. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 3:15 PM.

Respectfully Submitted,
G. Klein
