no questions.

The committee **VOTED** unanimously to approve the motion.

**Roll Call**

G. Klein Aye

K. Feeney Abstain

D. Leung Aye

S. Wang Absent

**D. Review of Action/Discussion Items**

No changes needed.

**E. Presentations from the Floor**

Greg made a brief acknowledgement that today's agenda was indeed posted 72 hours prior as required, and it looks like it was "amended" only because documents were shared via the agenda (linked to the agenda) after the face. The agenda itself was not amended whatsoever. In the future, in that situation, we will add the documents to the "Documents" section of our meetings.

No public comment on non-agendized items.

**II. Finance**

**A. Discuss current Fiscal Year to Date Budget Forecast**

Alejandra shared about the latest forecast, which changed from \$101k to \$84k in operating income, due to increase alarm system expenses, and also stipends for teachers to support with planning work.

In the future, building repairs and maintenance work will be needed. Health and welfare benefit costs may also need to increase in the forecast, but not enough data yet in the year to change that forecast.

Cash flow remains similar to the prior forecast. Maintaining a strong position is super important given lack of clarity on future fiscal year deferrals and cash deferrals this year.

Growth Funding Waiver application window is October 2nd to Nov 6th. UMCS will apply and seek funding for our year-over-year growth enrollment. Staff will apply.

We're celebrating current cash balance compared to monthly expenses, and forecast remains strong. Work continues now with auditors on last fiscal year, and managing restricted funding, and working to apply for the Growth Funding Waiver.

No public comment.

S. Wang arrived.

## **B. Learning Continuity and Attendance Plan**

Krishna shared the latest version Learning Continuity and Attendance Plan, which is here: [https://docs.google.com/document/d/1q\\_InwYCSOGVABM8fHasjlg9TmBxrW-32/edit#](https://docs.google.com/document/d/1q_InwYCSOGVABM8fHasjlg9TmBxrW-32/edit#)

Identified investments exceed the minimum amount required.

Davis asked about testing, and Krishna shared that it's on-going, and there have definitely been technology issues, including at the NWEA level. Davis commented that he supports investing money further for students who need academic further acceleration.

Greg asked Krishna about how and when families were engaged to give feedback and any trends.

Krishna responded that the school has been creating opportunities for families over the summer and since school has started. Lots of questions and compliments about Seesaw. Also publicly / digitally available for comments for all the public. Feedback on confusion on schedules from Spring 2020 and lack of consistency across classrooms back then -- so that's why this year's plan works so hard to address those consistencies, and aligning across classrooms, and calendaring for students, the responses have been positive to those updates here in 2020-2021.

No public comment.

## **III. Closing Items**

### **A. New Business**

No contracts above \$10,000 are currently in the pipeline.

### **B. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 3:26 PM.

Respectfully Submitted,  
G. Klein
