### **II. Finance**

#### **A. Discuss current Fiscal Year to Date Budget Forecast**

Alejandra shared the financial update presentation.

Enrollment stabilized at 397, increases overall ADA in the budget. One staff position is for primarily in-person instruction, and so those costs are delayed until we resume in-person learning. Forecast is now projected to be over \$230,000. This is good news, and we may have upcoming one-time investments to make to make the campus safe and secure.

Cash position remains secure through the rest of this year, even with state deferrals.

Structural-recurring expenses remain just below recurring public revenue -- one-time funding and fundraising makes up the difference. Still a goal to be fully sustained on public revenue.

Measure G1 Audit came back with no findings for UMCS. On track for getting middle school funding for this current fiscal year.

Greg shared updates on fundraising. In development in a total of \$150,000 in private grants against the goal of \$125,000. Readathon is on track to meet its goal of \$25,000.

No public comment.

## **B. Upcoming Expenses**

Discussion Item: HVAC for Phased Reopening. Krishna shared that it could cost around \$50,000 to do full upgrades in all portables, not including the main permanent building. Need to investigate additional companies as well, so far only one quote.

Davis asked about having the classrooms in the permanent building move to portables. Krishna shared that maybe room for one of those classes, but not all three.

Greg shared that one-time money could and should be spent in one-time ways to upgrade these sorts of systems.

Discussion Item: Teacher Stipends for students over 33. Krishna estimates this may cost over \$40,000. Still more work to do to connect with teachers on how best resources should be invested to support them. Investments must feel and be supportive of impacted teachers.

Discussion Item: Other Expenses. Potential additional facilities-related expenses, such as security alarm, cameras.

No public comment.

## **C. Discussion Item: Prop 51**

Jennifer Afdahl Rice joined this part of the conversation. Recapped last meeting with OUSD, where staff is requesting we wait until after a new school board is seated. Long term lease criteria requires "12 points" out of 20 to be considered. Even with 12 points, it's not a guarantee for moving forward or approval. Points may be earned for integration and offering a unique model, number of in-district students served, financial history. We want to earn many more than the minimum of 12 points. [The criteria are in the public documents section of this Meeting.]

Next is to look at what parts of the campus, and what kinds of repairs, we may be interested in upgrading. Also, would need to update the Facilities Use Agreement draft. There is an expected Family Leave in the OUSD Charter Office, which may delay some of the work. Board members here will be ready to support. Any agreement is ultimately a strong for OUSD financially, Oakland public school students overall, and UMCS. Would be a prevailing wage project, would reduce future Prop 39 administration expenses, a school could still be non-renewed. Prop 51 are state public dollars for district-owned facilities. UMCS needs to model out the various scopes of projects we could take on various time horizons.

No public comment.

### III. Other Business

#### A. Other Business

No other business was discussed. N/A.

### IV. Closing Items

#### A. New Business

Greg mentioned the Fiscal Management & Control Policy, and getting updates on enrollment for 2021-2022.

Stacey changed the time for future Regular meetings to start at 3pm.

#### B. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 4:49 PM.

Respectfully Submitted,

G. Klein
