## **II. Finance**

#### **A. Discussion Item: Current Fiscal Year to Date Budget Forecast**

Alejandra shared the latest forecast. Currently recognizing a large one-time operating income for this fiscal year that's about to end, currently on track to be 32% of our yearly expenses, meeting one of our main financial goals.

Cash remains OK, but still not at our three-month cash-on hand goal, currently closer to two month's cash on hand.

No public comment or further discussion.

#### **B. Discuss LCAP 2021-2024, Federal Addendum, and Local Indicators**

Krishna shared the latest version of the LCAP.

Greg asked about a Budget Overview for Parents question about "[cell range]" showing up. Will try and get fixed in the image on the LCAP document.

Stacey asked about major themes of feedback from families or staff. Krishna shared that the LCAP has incorporated feedback from before and after the Public Hearing.

Greg shared that the Local Indicators have also been reflected on and inform the LCAP development.

No public comment.

#### **C. Discussion Item: SY 2021-2022 Budget Development**

As of this meeting, still no final state budget from Sacramento.

For next year, assuming what seems to be in agreement so far between Governor and Legislature. Showing some of the one-time COVID-related funds across multiple years of one-time expenses, including plugs. Fully implementing the salary schedule, minor staffing footprint changes, and STRS employer contributions are going up to nearly 17%.

Greg asked about the one-time ESSER II plug. Alejandra explained that it could be further spread out into later years, but the revenue would be deferred as well.

Alejandra shared the eight different one-time sources of COVID-related funding, and how UMCS plans to recognize the funding over four fiscal years.

Greg asked about the revenue for 2020-2021 of \$347,499 and whether that revenue and corresponding expenses had already been recognized on the latest forecast. Alejandra shared that they had.

Alejandra shared the multi-year budget [available in Documents] of this meeting. Budgeting conservatively for enrollment. Also, after the state budget is finalized, additional changes are likely to only lead towards increased operating income from what is shown in the budget.

Greg asked about the operating income without one-time funding, and Alejandra shared that they'd immediately go down, but then the one-time match expenses would also be removed from the budget.

Greg asked about Fundraising and shared that he had worked with FAC Leadership around a \$75,000 per year goal from family fundraising. And with an operating income shown, the true need would be lower.

Krishna shared that there are line items of expenses that will likely increase after the budget is finalized, such as additional materials or even field trips. Likely to bring another budget for adoption in August.

Greg and Stacey appreciated all the work of building the budget still with so much uncertainty. Greg asked if everything in our LCAP is accounted for in the Budget. Krishna said yes, and she will keep double-checking.

No public comment on this item.

#### **D. Annual contracts and renewals for upcoming school year**

Krishna recommended that the Board approve the CharterSafe insurance renewal contract as part of the General Consent Report on Thursday. We are already under a multi-year contract with Edtec, and also renewed with BoardOnTrack which is below the annual Board-level expense requirement.

No questions or public comment on this item.

#### **E. Other State Required Plans and Documents**

Krishna recommended both the FY 2021-2022 Education Protection Account (EPA) Spending Plan and the Consolidated Application (ConApp) for Thursday's General Consent Report.

Greg asked about the dates on the ConApp and Alejandra confirmed that they are correct.

Greg shared the Declaration of Need process, which is new to UMCS. Krishna shared that the process needs to have its own action item at Thursday's Board meeting.

No public comment on this item.

### **III. Closed Session**

#### **A. Closed Session Items**

Stacey, Greg, and Krishna entered at 3:24pm, on the topic of Public Employee Performance Evaluation. Krishna left at 3:34pm. Stacey and Greg remained.

#### **B. Report out of Closed Session**

The Committee returned to Open Session at 3:43pm, no actions were taken.

### **IV. Closing Items**

#### **A. New Business**

#### **B. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 3:44 PM.

Respectfully Submitted,
