I. Opening Items

A. Call the Meeting to Order

H. Thomas called a meeting of the Academic Oversight Committee of Urban Montessori Charter School to order on Tuesday Oct 13, 2020 at 4:47 PM.

B. Record Attendance

C. Approve Minutes from September 22, 2020, Academic Oversight Committee Regular Meeting

J. Faraguna made a motion to approve the minutes from Rescheduled Academic Oversight Committee Regular Meeting on 09-22-20.

H. Thomas seconded the motion.

The committee **VOTED** to approve the motion.

II. Academic Oversight

A. Distance to In-Person Learning Decision-Making Protocol

- Hae-Sin shared draft of phased approach.
- Safety issues - got quote for efficient HVAC system that neutralizes the virus.
- Moving from phase II to phase III is a logistical challenge. Matching challenge for students and teachers.

- Discussed the proposed "Phases" of re-opening.
- Complexities of facilities, testing, and other operational challenges that intensify as we move from each phase to the next.
- Can we be more accommodating than other systems? Both for staff and families?

Next Steps:

- Collect feedback from staff and families
- What else should we be thinking about? other concerns?
- The final document for board approval after feedback after feedback
- Identify kids we would prioritize for phase 2 (How many classrooms needed?)

B. Review of Charter Renewal Data - CSDC

- results okay. when disaggregate, see areas for growth with African American students, Latinx, English Learners
- Some hard data to see
- Do see progress and gains over time for students (cohort data)
- Would like to see longitudinal analysis for cohort of students (e.g., students who enrolled in K and went through 3rd or 5th grade)
- distance from met = average distance from grade level score. want to see this moving up
- English Learners - does that include reclassified students?

J. Faraguna left.

C. Review of Beginning-Of-Year Data

- Daniel presented data
- Attendance -
 - African American/Black and 2+ races have highest absence rates and chronic absence rates.
 - Primary and lower elementary have highest absence rates.
- Seesaw engagement - Snapshot of a week. Comments Primary do expect to be lower because have different assignments. Comments per week does feel low.

This is a snapshot - so would want to see if this data was an anomaly and hard to know how to interpret exactly. Request to see subgroups by level.

- Teachers conference with students each week. Do have data on this but do also have challenges connecting with students.
- NWEA MAP - almost complete data. Fall to fall growth. Seeing high percentage of AA, Els meeting growth in reading. Surprised by high percentage of MS students in lowest quintile for Reading - think likely new to Urban students.
- Use the data to identify students for in-person.
- What additional resources do students need? What is that more? How would you use these?

III. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 6:00 PM.

Respectfully Submitted,
H. Thomas
