A. Head of School Report

Krishna shared her report, which is in the Documents section of this meeting in BoardOnTrack.

Upcoming events include Back to School night, other parent education nights, Book Group (*White Fragility*), and the Readathon starting up soon.

Nine days of safe, successful school in-person -- all staff and students TK-8 all on one campus for the first time ever. Following all safety protocols. Cases will happen and feeling ready for when that occurs.

Jan arrived at 6:31pm.

Daniel shared instructional updates. Focus recently on creating systems to support teachers with their work in the classroom, including curriculum map for all grades, aligned recording keeping, lesson planning & observation tools (in common in each level).

System of Justness by Public Montessori in Action is a whole-school plan on how we respond to students and their needs so that responses are aligned and predictable. Strong Montessori Implementation and Child Study have been components in the school already, and now also the third part, which is Nautilus Approach. It's not about going up a discipline ladder, but instead about helping students centered back into their work in the classrooms. Training included how to create strong conditions before there are more

difficulties; consistent language to use with students; supports from other staff for repair and reentry into the classroom.

Krishna shared regarding charter renewal, we will now seek renewal in Summer of 2023 in time for Fall 2024.

Krishna shared enrollment updates -- remains complicated this year just like last year! TK-K is lower, and we can do recruitment. Still have a lot of uncertainty from many families about their intentions to return in-person.

Re: staffing, instructional roles are all filled and hiring now for an Assistant Site Coordinator.

Loren asked Daniel about curriculum maps versus lesson planning.

Daniel shared that the curriculum map lays out all of the 99% lessons, plus a few Common Core-specific lessons that are not already in Montessori. The lesson planning tool is about planning out which students are going to get which lessons throughout a week.

Parent Anna asked about teacher communication with families. Krishna responded that expectations on communication from teachers and the frequency is going before the School Leadership Team so those can be developed by teachers -- this work is coming very soon.

Loren asked about the assistant coordinator role, and Krishna responded that the Ops and Admin team are all learning new skills and will also teach those too the new role so they can support.

No other questions or public comment.

J. Faraguna arrived at 6:31 PM.

III. Finance Committee

A. Discussion Item - Committee Report, including year to date financial report

Stacey shared the committee's report, which is in the Documents section of this meeting in BoardOnTrack.

Last year's budget ended with a large one-time surplus, due mostly to one-time COVID relief monies. Our fund balance is strong now exceeds County expectations.

For 2021-2022, the state finalized its budget, including new one-time funding streams, along with new additional state grants, many of which don't yet have much detail released.

State deferrals have now been repaid and eliminated moving forward.

For the latest forecast since July 1st, now showing over \$100,000 operating income in the forecast.

Davis shared a huge appreciation for Alejandra Rodriguez from Edtec, who is moving on her current role -- she has been fabulous. Will be working again with Bryce -- who is also awesome!
