**II. Finance**

**A. Discussion Item: Monthly Fiscal Report**

Josh shared the year to date report and changes from last committee meeting through end of December. Operating deficit is forecasted to grow to \$177,000. Revenue came in for the Expanded Learning Opportunity Program, and created a full time Student Support Assistant position, and LCFF was adjusted downward based on latest ADA. Fund balance is forecasted to end at 28% of operating expenses. Cash flow is currently above three months, but drops to just below three months of payroll at the very end of the fiscal year.

Greg asked about the \$39,000 in additional compensation and benefits, and Krishna answered that was towards additional Student Support Assistant FTE.

No other discussion or public comments.

**B. Updates from the Governor's January Budget Proposal**

Josh shared updates from the Governor's January budget proposal.

LCFF COLA of 5.33%; increases to Special Education funding; the Expanded Learning Opportunity Program; updates on potential ADA flexibility, independent study flexibility, early literacy, meals, and universal TK.

Preliminary improves our budget next year by a little more than \$100,000.

Greg asked if there was any additional dollars proposed that we don't already access that support teachers getting additional training and certification. Bryce responded not much that we don't already seek, but there might be something under early literacy and we will learn more when the trailer bill language comes out later this month or next.

No other questions, discussion, or public comments.

### **C. LCAP Supplement & Presentation Requirement**

M. Salazar arrived at 3:26 PM.

Maru joined at 3:26pm.

Bryce shared that the state released a template for the midyear LCAP update. The template can be completed now, worked through committees in February and shared out to the full board for approval in February.

No other questions, discussion, or public comments.

### **D. Contracts, invoices, and payments above \$15,000**

Krishna shared that there are none at this time.

No questions, discussion, or public comments.

### **E. Updates on 2020-2021 Audit**

Josh shared that there no findings or weakness identified for the 2020-2021 Audit. Net income matched the unaudited actuals.

Greg shared a big appreciation to the whole team supporting the work to complete audit process. Greg shared that the Board can vote at the next meeting to accept the audit.

No questions, discussion, or public comments.

### **F. Expanded Learning Opportunity Program**

Josh shared about the Expanded Learning Opportunity Program, which is separate from the ELO Grant.

ELO Grant was a one-time fund. ELO Program is on-going funding starting with \$91k this current fiscal year which can be spent on current after school programming and/or planning. This program is not optional. Including school day, must provide 9 hours per day minimum, and must extend the school year by 30 instructional days (also at 9 hours

per day). At least 50% of unduplicated students must be provided access to the program, 20:1 student ratio in grades 1-8 and 10:1 ratio TK-K.

Krishna asked about if students don't attend, and Josh responded that this will be audited on enrollment.

Maru suggested piloting something in the first year. Krishna shared that the state says this current year is the pilot year.

Greg asked about ratios applying to all 9 hours, and Josh responded that it applies all 9 hours of the additional 30 instructional days, and the hours beyond the regular school day for the rest of the regular days.

Greg asked if this year's revenue (\$91k) is already shown in the latest forecast and Josh responded that yes, it is already included.

Maru asked how this work relates to Love, Learn, Success. Krishna shared that is exactly what we need to figure out -- could augment and grow LLS, or could shift and go in a different direction.

No other questions, discussion, or public comments.
