Josh shared the 2nd Interim financial overview. Forecasting modest operating incomes after this school year.

No questions or public comments on this item.

B. Updates from the State related to fiscal matters

Josh shared some updates from the state, including SB830 that would move funding to enrollment starting in the 23-24 school year. SB579 is a hold harmless for FY22. AB 1607 proposes using a three year average of ADA in FY23, And AB1614 is an LCFF base grant. Legislative hearings come next, and then the Governor's Revise in May, and state budget adoption in June. State also recently released a Universal Transitional Kindergarten planning tool.

No other discussion or public comment on this item.

C. Selection of Independent Auditor for 2021-2022

Greg asked about who our auditors will be. Krishna recommends continuing with CLA, and will reach out for a contract for consideration.

No other discussion or public comment on this item.

D. Contracts, invoices, and payments above \$15,000

Tabled.

E. LCAP Supplement & Presentation Requirement

Greg shared the draft LCAP Supplement and about the current and recent opportunities public has to review and provide feedback. Krishna will share the final version in February for the Board to take action on. This will need to be included in the 2022-2023 LCAP that the Board will eventually adopt this June.

No other discussion or public comment on this item.

F. Expanded Learning Opportunity Program

Josh shared about the Expanded Learning Opportunities Program. Additional one-time funding coming for arts and infrastructure. School day for ELOP must equal 9 hours, and add 30 intersession days beyond the 180 regular school days.

No other public comment on this item.

G. Montessori Training Center

Greg and Krishna shared some preliminary thinking on working to dramatically increase access to local high quality Montessori training. Closest current training opportunities are in San Diego, Portland, Houston, and even Cleveland. Local schools already spend money on trainings, but a training center locally could provide better service for the same or less amount of money for those schools. The training center could generate revenue eventually, and eventually break-even. Looking for initial start-up funding, but not yet successful, but want to consider investing from our fund balance as part of investing in our teachers and staff.

Need to bring back more details and numbers in March. Krishna will be checking in more with staff, too, about their ideas for additional support and training.

No other discussion or public comment.
